

CUAD Sports Medicine

Prospective Graduate Assistant Information

The Clemson University Sports Medicine Department has ten (9) Graduate Assistant Staff positions. The GA staff assists the full-time Athletic Trainers with the care of 500+ intercollegiate athletes at Clemson University. Danny Poole, Director of Sports Medicine / Head Athletic Trainer, and his full-time staff assign a Graduate Assistant to cover a specific sports team on a yearly basis.

Applications and letters of interest for prospective Graduate Assistants are accepted year round. Typically, interviews are conducted during the Fall Semester and early Spring for the upcoming August entrance class.

GA Position Requirements: NATA BOC Certified *or* eligible

Send cover letter, resume, and three (3) references to:

J. Raz Razayeski, ATC
Assistant Athletic Trainer
