QUOTES OF COACH R'D PARKER OF CLEMSON

They blocked us better in the second half -- ran straight at us. They knew we were weakest at linebacker by running straight ahead at us.

Two crucial penalties hurt us at the start of the second half. I thought we played a very solid first half. Our glants were working well and we were able to contain them most of the time.

On that long pass play in the first half, they caught us in a blitz. It was a perfect call at a perfect time.

We just couldn't take the ball away from them in the second half. State played better in the second half against us than they have played all year long. I don't think we let down. I think they just blocked us better.

I'm surprised and disappointed that we didn't play better in the second half. We just couldn't stop them in the final thirty minutes.

Parker said that Peanut Martin, Clemson's all-ACC defensive back, has a broken ankle. Dr. Byron Harder, team physician, would not say that the ankle was broken, but said he was ~~99~~ 99 per cent sure. Martin re-~~x~~ turned on the team plane to Clemson and will have the ankle ~~ax~~-rayed on arrival there.

QUOTES BY COACH LOU HOLTZ OF N.C. STATE

"I personally made two big blunders in the game, not going for two points after our first touchdown, and then going for a first down on 4th and five near the end of the half. But our young men made up for them. They played very, very well the second half. I can't say enough about our offensive line and our running backs, particularly Fritts and Hooks. They both ran awfully well.

"As to our defense, they held them to 10 points. I thought our pass defense looked better, especially in the second half. But we still haven't put four quarters together yet. I'm hoping we'll get a lot better.

"This is a funny team. I can't understand how we can look so sharp at times and so awful at other times. Like I've said, we've got to get it all together for a complete game.

"Carter Stadium is an excellent place to play. We've had great crowds and that helps. I just wish they'd get a little more vocal. Of course, we didn't give them much to get ~~xxxxxx~~ vocal about the first half.

"Clemson had an excellent game plan and they executed it very well. I'm very impressed with Clemson. They are very much improved over last year.

"Our Rat Pack played an instrumental part in this victory. The kickoff coverage, particularly in the second half, was excellent.

"We didn't throw much in the second half because we felt we had to win it or lose it on the ground. The line did the job and so did our backs."
