END OF THE GAME

COACHES QUOTES

HILL DOOLEY, UNC--Clemson ran inside, outside and they threw on us. They did anything they wanted to do. Our defense was terrible.

We did ~~some~~ go back to battle them offensively in the second half, but you can't do much about it when you give up a ~~gtd~~ big lead like that. I congratulate Coach Parker and his Clemson team. They did an excellent job of preparation and they executed very well.

I don't want to try to take anything ~~my~~ away from the Clemson team, but the crowd noise when we were calling signals was terrible. That should be a five-yard penalty against the home team. It is the responsibility of the home team to control that. Our players couldn't hear the signals and that is why we were in motion so much. We wound up getting the five-yard ~~penalty~~ penalty when it should have been stepped off against Clemson. Other teams who have played here have had similar problems. I told the referee about it before the game, again in the first quarter, in the second quarter and at the half. I was still ~~ix~~ telling him late in the game, but he didn't do anything about it. If our quarterback had kept stepping away everytime our players could hear the ~~ix~~ signals, we would be out here at 10 o'clock tonight still playing the game.

I have ~~ix~~ no comment on any bowl invitation. We'll have to go home and talk to our athletic council and our athletic director before we will decide anything.

I do think we had some bright spots today. Chris Kuppee did another great job for us and Charles Waddell caught the ball real well. Our tailbacks ran hard, but defensively we just couldn't stop them. That's a tribute to Clemson and the way they executed.

RED PARKER, CLEMSON--It was a great offensive show and I think North Carolina has a great offense, truly outstanding, one of the ~~g~~ best we've ever gone up against. I admire them and they did a fantastic offensive job. And ~~ix~~ I'd be telling you a flat out lie if I didn't tell you that we were better.

I ~~ix~~ was proud of our seniors, they wanted the game badly, and we worked hard enough to do what had to be done and win. The last half our defense had trouble stopping their offense, but they had trouble stopping ours all day long. But they have some fine players.

Everybody for us played well. I wouldn't want to single any one person out. When you don't have to punt but once, it's a sign that your offensive line is doing a job.

I do want to single out Mark Fellers. This was no doubt his best game and he made a couple of moves out there I didn't even know he had. He does not have great speed, he does not have a great throwing arm, but ~~ix~~ I tell you, if he didn't do a job today, I'll pay for lying.

NOTE: ~~ix~~ the total Clemson points (54) ~~ix~~ were the second most ever scored against a North Carolina team. Virginia defeated the Tar Heels, 66-0, in 1912.
