COACHES' QUOTES:

Loa Holts: N.C. State: "I thought we played very well as a team. By that, I mean we put a complete game together. We played well defensively. We gave up some yardage, we made some things happen. I feel that this game shows we've made good progress. It's especially encouraging to play well away from home.

"My only disappointment is that we didn't throw the ball. That perhaps is not fair to our receivers. No, we didn't have to throw today because we ran the ball so well. But we were prepared to throw long if we had had a need to.

"I have a lot of respect for Clemson. Red (Parker) has some great talent. They're going to get good, you can count on that. They have two of the finest quarterbacks I've seen.

"We were real concerned before the game. We had some players with virus who did not practice all week. (Jeff) Easter, (Dan) Meier and Scott Wade were in the infirmary until Thursday.

"I'd like to pay tribute to Clemson University and to Red Parker, and I mean this in all sincerity. They're fans are superb. We were ahead 31-7 in the third quarter and our quarterbacks still could not hear the cadence. That's what I call great football fans. Both the school and Red deserve the credit.

"Yes, our Baby Backs ran awfully well. Maybe we grew up today as a team. I just don't know, but I hope so."

N.C. STATE game balls were awarded to: RB Ted Brown, DB Dave Roberts and TE B.J. Lyttle.

COACH RED PARKER OF CLEMSON: It was a bad job by every body on the football team, and more than anything, bad by me.

We didn't show any fight. Everything bad that happened was a catastrophe. We didn't do anything to force anything after the catastrophe.

~~Everything we have done this season has been a struggle. I have not been able to do anything as a football coach to get that struggle straight. I'm disappointed to the point that I don't know which way to turn. I'm disappointed more than anything else that I have not been able to arouse our team to show a fighting heart.~~

We played a lot of new faces today hoping that we could get some help. The oddest thing is that our defensive line was more healthy than it has been in some weeks. The plays they called at the line hurt us more than anything else, but we were doing some fumbling and it hurt us on several occasions.

Parker said he wouldn't say who would start at quarterback against Florida State until looking at the films. He said he thought all three who played today showed some good parts on occasion, but that as they never could pass it across when the opportunity presented itself except that one time.
