QUOTES FROM GEORGIA TECH COACH PEPPER RODGERS

Clemson looked almost unbeatable this afternoon. I can see why they beat Georgia. This is by far the best Clemson team I've seen. Clemson whipped us fair and square. They have a lot of talent. Also, they made fewer errors than we did.

(Jerry) Butler is the fastest player we'll face all year. He's a good player.

We made some crucial errors. That fumble and interception really hurt.

Individually, (FB Rodney) Lee stood out obviously and (EM Donald) Patterson showed us a lot at cornerback. But I'll have to see the films before I can talk about anyone else.

The emotional part was not a factor, at least not for us. (In reference to the game being the last of the series.) Emotions were high on both sides.

QUOTES FROM CLEMSON COACH CHARLEY PELL

We had a win today that will become one of the most memorable to Clemson. Our players went into this game to win for Clemson University. It was a tough victory for us. Georgia Tech just kept coming back. We had to win the hard way. And this is a tribute to the Georgia Tech players and their coaching staff.

Our speciality teams had a rough day today, but you have to give credit to Georgia Tech for ~~it~~ that.

Asked if Clemson was ~~ahead~~ ahead of schedule, Pell said: Physically and execution, we are not. On team leadership and oneness -- ~~yes~~ yes.

We started Lester Brown because he had had an unusual week of practice. He is really shaping up as a class football player. That touchdown run he made was big league by all standards.

You saw today why Jerry Butler gets such high praise from the coaching staff. He does things that we can't coach.

We're beginning to ~~see~~ ^o jell as an offensive team. The Offensive line ~~blacked~~ well. The played a lot of people today. We brought 67 and I ~~believe~~ believe we played 61. Our offense was more ~~explosive~~ explosive today and I think that was the difference in the game in that our offensive team is improving so much in its production. I am surprised that as many points were scored in the game. I thought Tech was well prepared to play us.
