COACHES QUOTES

Coach Charley Pell, Clemson: It was a great victory for Clemson football today. This is the ~~first~~ time in 20 years a Clemson team has won three consecutive games on their road. A great team victory again. We were fortunate to get some big plays in the first half. Virginia Tech was well prepared. The only way we were able to get to them was get the big play. They came out in the second half and stifled us and they are to be commended for a fine game plan.

I think you saw some of our big play people today who came through for us... Jerry Butler -- ~~Walter~~ Warren Ratchford -- and Steve Fuller played another good game. We got to play a lot of people. Everybody we brought played with the exception of two people.

It was an awfully messy day, but fortunately we didn't turn over the ball any more than we did. I think that is a credit to our players and the way our coaches prepared the team for the game.

Again, our kicking game was successful. Of all the phases of our football ~~game~~, that's probably the most improved of anything since we started in ~~an~~ August. team

We're ~~not~~ getting ~~not~~ close to being a good football team. We've improved with each week of the season. This I always feel like is the mark of a good football team. The players have responded and we've ~~been~~ able to take ~~some~~ advantage of the abilities we have on the team.

NOTE: The players gave Coach Pell the game ball. Also, the last two weeks, Pell has had the team bus ~~stop~~ stop AFTER the game and buy two boxes of cigars which were passed out on the bus. He ~~has~~ had two boxes of cigars in the ~~dress~~ dressing room today which were given to the players as they started to dress.

Coach Jimmy Sharpe: "I want to compliment Coach Pell, his staff and his squad. They had an excellent game plan. We were surprised at how well they threw the ball in the rain, and although we knew they had a good kicking game, we were surprised they got two early punt returns to give them such good field position.

"It was a comedy of ~~errors~~ errors on our side ... sloppy. We were as emotionally ready as we've ever been, but they came up with the big plays, and we didn't. They're a good football team.

"We've got our backs to the wall; we've been here before. We'll find out what we're made of."
