Coach Dick Bestwick:

"It was an example of an inexperienced football team of giving the ball up and you just can't do that against a good team.

"I thought we were going to play well today. We broke down in the secondary which we haven't done all year. And they were individual breakdowns, just like they have been all year.

"Clemson is a well coached team and very aggressive defensively and they have some excellent skilled performers. I really looked for them to be in the top 20 last week.

"I guess we're just too young." (35 of 55 on travel squad are sophs and freshmen)

Coach Charley Pell:

This was a big win for us, but I would like to commend Coach Dick Bestwick and his Virginia football team because they played in that second half just like we thought they would and feared they would. They're scrappy and they came after us. They're a very determined group and those young players are going to give Virginia a good football team before long.

I'm very proud of our football team again -- they did what they were supposed to do -- they performed well -- they ~~responded~~ responded very well.

The seniors won at homecoming -- it was our first win at home this year and it was our first Atlantic Coast Conference win. Those three things made it a great day for us.

I'm very pleased at ~~the~~ the way Steve Fuller performed again today and I think he is continuing to erase any doubt people might have had about his passing. One highlight was when we came back to score after a silly penalty on that first touchdown.

We passed more because Virginia ran more 8-man front than we thought they would, so we tried to take advantage of the three-man secondary.

The rain didn't force us to change our game plan. I thought we played ~~2~~ 45 minutes of great football. and I believe our defense had one of the best game plans yet.
