## COACHES' QUOTES

Chuck Mills, Wake Forest: "Their defense smothered us. They are very fast and aggressive. Their defense absolutely intimidated our offense."

Why McDougald didn't play more: "I just wanted to give Hargrove a chance to run and McDougald been banged up; he's been playing too much."

The noise of the crowd took away our opportunity to call audibles."

On why so many personal fouls called: "I don't know. I guess the crowd got everybody screwed up. That's their history; they pride themselves on it. If I was here, I'd love it. But by the end of the game, the crowd had taken control of the game."

"Our defense played well enough, but they gave up some big plays. They were on the field a lot."

Answer to question of where he goes from here: "Blank. We go after Duke next week. Like the phoenix, we'll rise from the ashes."

Charley Pell, Clemson: Today was a big win for us. We told our football <sup>(players before the game)</sup> ~~team~~ that ~~is~~ the mark of a good team was the win when they were supposed to win. It wasn't a ~~is~~ very emotional game on our part. We just told them flat out that they had to win today because they were good. ~~is~~

We were ragged in spots, but our offense picked up. But we blew some scoring opportunities which didn't please us.

It's easy to see why Coach Mills is proud of his football team. They have a lot of young players who are very good. I'm sure ~~is~~ that Wake Forest is going to bounce back and be a successful football team in our conference.

Obed Ariri showed us today what we knew all along. Billy Lott came in and did well. Randy Scott -- I don't believe there's a better linebacker in the league than Randy Scott.

James McDougald <sup>is</sup> is a great ~~is~~ back and it took a good defense to contain him <sup>like</sup> like we did today. You take three big play people like ~~is~~ McDougald, McLamry and Young -- it takes a good ~~is~~ defense to stop them and we did a pretty good job on them.

On national ranking -- <sup>To</sup> ~~is~~ the players, I think it is a great sense of pride right now.
