CLEMSON PLAYER QUOTES

QB Steve Fuller: "We just miss d some ~~opportuntty~~ opportunities in the early going and that was the game. It just seemed like we just missed by an inch or two while they were clicking ~~x~~ on everything. They were a great football and Cavanaugh had an outstanding night.

DB Rex Varn: "They pretty well did what they wanted to against our secondary. They threw ~~x~~ underneath with a lot of success early and that just opened up everything. We just didn't play wreckless. We seemed to be cautious and I don't know why. They had a grea' night. They tips ~~x~~ seemed to really throw us off. We had some plays covered and things just went the wrong way.

SE Jerry Butler: "I had some trouble picking up the football on occasions and our timing was off a little bit in the ~~az~~ early going. They got the upper hand but we had the chances, man did we have the chances. But it seemed like just when we were going to climb back into the game, things just slid right away. Pitt had a great football team.

DB Steve Ryan: "We just had a bad night. You hate to play like we have all year and then have the nation see us in this state. The nation did not see the real Clemson team. Cavanaugh had a ~~fantastic~~ fantastic night and he is to be congratulated. We didn't seem to read the things they were doing and ~~x~~ things just got out of hand. I know that we ~~xx~~ will be back and hopefully get a chance to show the true Clemson team.

OG Joe Hostie: "We didn't make things happen ~~we~~ when we had our chances. We are a big play team and when we got our breaks, things just didn't happen. They had a fine football team and they showed it. I hope we get another chance to show what we can do. I know that we are better than this. Things just didn't go our way.
