COACHES QUOTES

Coach Charley Pell, Clemson: This was a very import game for Clemson -- a very big win. It was very import to this ball club to go out and cominate a football game and that's exactly what they did. after we had worked hard for a month, and we worked our players very hard in pre-season-- as a hard as any group we've ever coached -- and for them to come out and perform as they did today, I think it is a pretty good testimony for the hard work they put in.

I don't know anything about the statistics, but the thing that ~~was~~ ~~was~~ impressive to me is that we didn't ~~have~~ have any turnovers. We got some silly penalties, but that was our fault late in the game. Great football teams don't get silly penalties like we got and we've got to be concerned about that.

We played probably 70 players today and we dressed ever y player who was physically able to play -- 125.

I think Citadel is going to have an outstanding ball club, you saw their explosiveness early in the game when they broke the long run with that triple option. Tim R Russell is going to do an outstanding job. You saw what he could do when he get a little bit of daylight.

Coach Art Baker of The Citadel: It was a helpless feeling out there today. We didn't seem to ever get anything going. They were in complete control almost all day.

I've never coached against a better team. They have three people who are probably going to be drafted in the first round by the pros. I have to ~~think~~ ^{think} they're as good as everyone says says they are.

Defensively, they ~~was~~ were too big for us to block consistently. ~~The~~ Offensively, they executed almost effort free, erroless. Like I said, I felt helpless out there today. I kept thinking they would make a mistake, but they didn't.

I know this sounds strange, but we played better today

~~than we did last week~~ I'm embarrassed for our players, but we'll get better
