## COACHES QUOTES

Coach Charley Pell, Clemson: It was a great victory today and concluded one of the most rewarding seasons we've ever been associated with. Twenty-five great seniors going out with with a convincing victory over over a good Carolina football team.

C They won the championship in the conference and they won the state championship for our great university and the Gator Bowl

There were some ~~gm~~ great plays out there today with som many players involved that I'd just rather let it go down as a great victory.

I thought the South Carolina coaches had their team well prepared, they ran the ball better on us than I thought they would, but that's a credit to their game plan, the coaching staff and some great backs and the way the offensive line blocked.

I felt like our defense came up and got a little tougher there in the end and I thought that was the mark of a good team. It was easy to see the defensive team was playing better. But that game was still in the balance until that lasst time when they had to run the ball and ate up the clock. And that was in our favor.

It was a very impressive win for the team, and considering where we were five days ago. Emotionally, we were tired, we were physically beat up and they bounced back and played as well as they did today. ~~xxxx~~ You've got to put a pretty good tab on them for that. But South Carolina has much better players than anybody has given them credit for all year.

Coach Jim Carlen, South Carolina: We have no excuses. The best team won today. Our ~~xxxxxxxxxxxxxxxxxxxxxxxx~~ team played hard. I've hever enjoyed a group more. They've come ~~thru~~ through some tough times.

I thought the big difference was ~~Clemson's~~ Clemson's offensive line just whipped our defansive line. Clemson's offense is the best we've played since I've bean at Carolina and they are the best team we've played this season with no reservations.

Steve Fuller is the best quarterback in America today. ~~xxxx~~ He's smart; he ~~xxxx~~ throws well; he runs like a fullback. He just does it all.

I look ~~the~~ forward to next yearn more ~~than~~ than any ~~xxxxxxx~~ since I've been in coaching. W e'll have some maturity and we need to find some help at center and the kicking game.

Scott Wade is a whale of a linebaeker and losing him early really hurt, but He'll be back.

I ~~the~~ thought Garry Harper came of age as a quarterback today. Our runningbacks played well. The two turnovers at the beginning hurt. Zion McKinney is a very dependable player and normally doesn't fumble and then we misplayed the punt. Rick Sanford and Horace Smith haven't been working together this e season and we had a mixup. ~~xxxx~~ The interception before the half was on me. ~~the~~ We shouldn't have made that call. My main disappointment is that their offensive line just whipped our defensive line. I congratulate Clemson they've had a heckuva season.

NOTE: George Rogers, Carolina fullback, rushed for 123 yards today and ~~xxxxxxxxxxxxxxxxxxxxxxxx~~ finishes the season with 1,006 yards. He suffered ~~a~~ a dislocated shoulder late in the game and will undergo surgery Monday.
