COACH CLAIBORNE-Charlie Wysocki is in excellent condition. He can carry the ball many as we ask him. I was real pleased with -the he ran the ball. He is a real strong runner and ran the ball well. When you carry the ball that much you are going to lose the ball once in a while. Gosh he ran hard.

KEY-We felt we had to stop the spring out pass and draw off that. We put in a new defense and it helped. We moved a cornerback up on the wide receiver encouraging them to throw the ball and maybe we could pick one off. We never did but we forced them to throw back and to the middle. We got several big breaks when they dropped some

Ralph Lary had some big licks in the middle. He played a real fine ball game. He made some big licks and did not wait. He went for the ball.

Dale Castro did a super job kcicing until the fourth quarter. He was a big factor in the game.

We had several big injuries that put a little damper on the win. Eric Sievers and John Baldante have sprained knees and we will not know until Monday their Status. Steve Trimble has a separated shoulder.

COACH FORD-The sun's gonna shine tomorrow, despite what happened today. But we made way too many mistakes.

We had a chance to put points on the board early and didn't and that could have been a big lift for us if we had scored.

Our defense played real well. I fel so x danged bad for them having to stay out on the field so long. We didn't do anything much offensivlely, but Maryland had a lot to do with that. Coach Clairborne and his staff did a good job defending us. We just got beat by a well prepared team.

Our field postion was critical at times, but when we get backed up like that, we're supposed to be able to come out of there. I thought Billy (Lott) and Homer (Jordan) both did a good job. And we didn't make a change because of injury or not doing the job or anything like that. We just changed today between Billy and Homer like we did last year between Steve (Fuller) and Billy.

This is not going to be the end of the world. And it should be an education for us. Many times you learn more in a loss than in a win.
