DANNE FORD, CLEMSON HEAD FOOTBALL COACH

I want to congratulate South Carolina on a fine win. I imagine they outplayed us. Usually when you get beat, you get outplayed.

We didn't control the line of scrimmage on both sides of the ball, and we didn't play as good as I had hoped we would. But our youngsters played hard, their guys played hard, we just came up on the short end of the stick. It was a good, ~~sh~~ clean, hard-played contest and that's the way it should have been.

We just didn't played good in spots like we were supposed to -- and they might have had something to do with that.

On the ~~in~~ break on the fumble play when they were called for defensive holding, we should have gotten more than three points out of that. We needed more points than that. That was a big play in the game.

On the last Clemson play of the game their man did a good job of knocking the receiver off his route.

After that last long punt by South Carolina, our guys did a good job driving almost the leaght of the field. We had a chance to get it in and didn't. And that's good defensive play by South Carolina.

Not controlling the line of scrimmage on both sides of the ball was the key to the game.

JIM CARLEN, SOUTH CAROLINA HEAD FOOTBALL COACH

Anytime you can give Clemson three field goals in a game it's a credit to your defense. I'm excited for our players and coaches and I'm excited because we beat a good football team. I applaud Danny Ford and Clemson. He's done a good job this year with a young team.

I thought the big play of the game was the 80-yard punt by Jay Feltz. He's been inconsistent this year. I love him to death. He's the epitome of our football ~~team.~~ They do whatever they have to do to win.

I was worried about Billy Bott keeping the football at the end on fourth down. Andy Hastings locked up on (Perry) Tuttle pretty good and we wanted our defensive ends to contain Lott. We didn't want him running with the football.

Willie Scott made a big play for us on that pass reception and then Ben Cornett came up with another on that two-yard touchdown catch.

George Rogers is beat up but he still got over 100 yards (102). He's taken over a 4,000 licks this year.

On Hall of Fame Bowl opponent: I'm ~~not~~ not looking for anything. I'm excited about beating Clemson and I want our players to enjoy it. We're excited about going to the Hall of Fame Bowl. We'll take this week off and then have a light week of practice. We can't sacrifice two weeks ~~more~~ of recruiting to get ready for ~~sh~~ a bowl. Our coaches will be out recruiting for the next two weeks.

Jay Feltz' 80-yard punt is school record at Carolina

~~Exciting~~ This is the first ~~of~~ 8-win season for Carolina since 1903--an 8-2 season for the Gamecocks, including two wins ~~sh~~ over the Columbia YMCA and high school Welsh Neck.

George Rogers has ~~more~~ now rushed for 1548 yards this season on 286 ~~more~~ carries for a 5.4 average and 3,177 yards for his career.
