COACHES' QUOTES

North Carolina Coach Dick Crum:

"We didn't play very well. I thought we'd play much better than this. We had some opportunities early, but we didn't take advantage of them. Now we've just got to go back and regroup for next week.

"We weren't very disciplined on defense. They ran the same offense they've run all year. There weren't any tricks. They just executed it very well.

"We were going to try to have more balance in our offense. But, early we threw the ball in the dirt, we had balls dropped. Our passing game just wasn't very good. And they did a good job in coverage.

"We just didn't play like we're capable of playing. We probably played like they did when they went up to play N.C. State.

"Why? I don't know. I thought we would play so much better than this."

Clemson Coach Danny Ford: I thought we played three and a half quarters of good football. It got a little bit ragged there at the end, but some of those people in there at the end really hadn't had that much work. But it was a great experience for them getting to play in the game and on television.

Real proud of the game plan our coaches had. I thought we controlled the line of scrimmage. We didn't make too many mistakes. We had a lot of things to our way and North Carolina is a fine football team, better than they showed today.

I didn't see too many people do too many things wrong. There were a lot of individual people who played well. We're thankful that so many of them played so well and were able to carry out their assignments and make something happen.

I thought Rodney ran the option well. He ran with authority and I don't believe he had but one bad read all day. The fullback kept them honest inside.

This was one of our better games. We played real well against Georgia Tech also. But this North Carolina team is a very talented one and this was certainly one of our better efforts.

I don't think us knowing that Virginia had beaten N.C. State had anything to do with the way we played. It might have added a little something to it as the game progressed, but I think we were just ready to play. They helped us a little bit with some of the things that happened during the game.

We've got to go to Maryland next week and that's another conference game and they have always been tough on us. We don't have any post-season stuff on our mind right now. Maryland will give us enough to occupy ourselves with next week.
