DUKE HEAD COACH BARRY WILSON

"I'm proud of our team's efforts. We battled throughout the entire game. I was particularly pleased with the way our defense fought. We just couldn't get quite what we needed on offense. We were consistent in rushing, but we couldn't get the ball in the end zone. Clemson is a great team with a tough defense.

"Spence Fischer did a fine job even with the tough rush against him. Over all, we couldn't get the points we wanted against a tough defense."

ON LOUIS SOLOMON

"Solomon is extremely quick -- quick as a cat. It's not unusual for someone to miss him."

CLEMSON HEAD COACH KEN HATFIELD

We had to make that one drive to put them away and we finally got it. Duke is a tough, tough team and they always play us a very strong game. The Virginia game took so much mentally and physically out of us, but we were able to keep our momentum going. Virginia still showed strains of the loss when they went down to North Carolina today.

I couldn't have been prouder of our defense. Keeping Duke out of the end zone was a major accomplishment. After they put 40 points on the scoreboard (against East Carolina), this was a gutsy performance by our guys. We have now gone over six quarters without giving up a touchdown.

It isn't easy to play the secondary. But our guys really responded by putting pressure on the quarterback (10 sacks ties a school record) and this enabled some of our guys in the middle to come in for the losses. Knocking that ball loose (on the second half kickoff) should have been the turning point of the game, but it wasn't. But we caused them to spend a time out twice in the second half when they didn't want to, and I think that changed their game plan somewhat.

We've just been able to come away with a victory against a quality team
