SOUTH CAROLINA BRAD SCOTT QUOTES

Congratulations to Tommy West and Clemson. They played well, took it to us, especially in the second half and especially in the fourth quarter. They just seemed to pull away. It was hard fought for three quarters.

We gave up some return yards on punts. Obviously, we wish we hadn't given up so much.

They wore us down. Our depth was not good. In the fourth quarter, we just didn't stop them. There is no excuse for that. We didn't stop them.

Both their ball carriers were running the ball well. It became a factor because we got physically wore down. Anthony Downs came in and made good run for them.

On black jerseys: It was an opportunity for us after a tough season, a chance to spark our team.

We had a few lack of executions, just a little confusion. We weren't throwing and catching well either. Things you don't expect to go wrong in the 11th game of the year.

On the goal line stand: They were stacking up. It wasn't far to go. I thought we should be able to knock it in there. We came away without points, but our defense came back and we ended up with a field goal (on the next possession). So we got some points. But obviously, we needed to score there.

We lose 22 seniors. We will start back with who we got returning. This is not a quick fix process. It takes time to get to the standards it needs to be. We will be back Monday.

It became obvious in that long drive we weren't stopping them. They were hitting third down conversions. We couldn't catch a braek. Then it began to take its toll on our team. It just began to wear on on us. We were not able to get anything going offensively. We needed to be able to go down and score. That's a compliment to the way (Clemson) played today.

CLEMSON Head Coach Tommy West

"I'm happy for these players, assistant coaches and the fans. I don't think this team cares if they're ahead or behind, they play with the same emotion and intensity."

"I thought we got stronger as the game wore on, and that's what we pride ourselves on."

"When it comes down to the 4th quarter, you have to suck it up and play like a man."

"I think we've got great senior leadership and they've done a great job pulling this team together this year."

On last score:
"You just got to have confidence that you can knock it in, and we were able to knock it in."

"Nealon Greene was a little bit shaky in hte first half, but he came back strong and hit some big throws for us."

"Lamont Pegues came in and did a great job, but I think our offense missed Raymond Priester.

On Goal-line stand:
"That's real football. SOmebody was fixing to take over the game and our kids stood up and held them out."

On rivalry:
"It doesn't matter who has got the better record, these games usually go the full sixty minutes."

On Raymond Priester:
"I didn't expect him back and I still said no at one time. They taped up his hamstring real tight and ran him along the sidelines and he said he could go."

South Carolina Player Quotes

Eric Sullivan- On Clemson's Offense
"They hit certain spots we couldn't stop, it didn't matter who the ball carrier was
I had the same blacks and the same reads and we weren't hitting our spots. "
"Any time you go into a long drive you're going to get a little tired. I'm out to
play no matter what the score is. It's the biggest game of the year, and we
couldn't stop the play that kept hitting our weak spots."

Stanley Pritchett- "In the fourth quarter, Clemson did a great job dominating on
both sides of the ball. We made a lot of mistakes and didn't capitalize on our
opportunities. It's a tough loss being my last game. It hurts to go out a loser
to Clemson."

Steve Taneyhill- On being his last game
"I didn't want it to end with a loss, but we gave it a hundred percent. It's not
how I wanted to be remembered, especially because of how important it is to the
fans at South Carolina to beat Clemson."
On game
"We had a lot of penalties that hurt like the one that brought back Zola's touchdown."

"Their goaline stand was probally the deciding factor in the game."

They have a big offensive line that took it's toll on our young defense."

"Our defense gave us some big turnovers and good opportunities, and we had a halftime
lead, then Clemson tied it up right after the half. Then we scored again and we let
up a little and that can't happen."

On how he wants to be remembered:
"I've always given a 100% and never missed a practice. I think the forty consecutive
games started is important because it is hard to take a beating in the SEC week in
and week out. I want to be remembered for my toughness."

CLEMSON PLAYER QUOTES

#59 Will Young, Offensive Guard

"This is a very good win for us. We didn't have much success in the first half
but we kept ourselves in the game. Our team didn't expect Raymond Priester back
for this game but it was a good lift for our football team. In the second half we
just wore South Carolina down. We knew if we kept running the football and tire
them out we could come out on top."

#18 Emory Smith, Fullback

"We just wore down South Carolina in the second half. We kept punching the football
right down the field. Our game plan was to just come in a run the football. Nothing
complicated. We grinded it our in the 4th quarter and won the game. It feels
good to end the season on a positive note."

#27 Raymond Priester, Tailback

"I feel real good today. We stuck to the gameplan and won the football game. Our
team started out slow. South Carolina came out and controlled the football for
much of the first half. We came out in the 3rd quarter and got them off balance.
About the Bowl: I'll let the bowl people decided where we go. I'm just glad that
we are going somehwere for Christmas or New Years."

CLEMSON NOTES

*Clemson running back Raymond Priester gained 85 yards on 17 attempts and broke the Clemson single season rushing record in the process. Priester now has 1286 for the season, breaking the record of 1258 set by Terrence Flagler in 1986. Flagler did it in 12 games. Priester now has an average of 117 yards per game for the season. He has clinched the Clemson single season rushing record on a per game basis. The record is 106.4 by Cliff Austin in 1982 and Priester would still average 107.2 per game even if he did not gain a yard in a bowl game.

*Priester had just seven yards in the first half and just 27 through the first three periods, then gained 58 in the fourth quarter. He missed most of the first half with a pulled hamstring.

*Priester's running mate in the backfield, Emory Smith, gained 101 yards on 12 rushes and scored two touchdowns. It was his second 100-yard game of the season and third of his career. He scored a pair of touchdowns and now has 15 for the season, 14 rushing. His touchdown total is tied for the second highest total in Clemson history for a single season. Fred Cone also had 15 in 1950 (14 rushing and one receiving). Lester Brown has the record with 17, all rushing, in 1978.

*Clemson finished the season 5-0 on the road, just the second Clemson team since 1948 to have a perfect road record. The only other team to do it since 1948 is the 1981 National Championship team. Clemson has won six in a row on the road dating to a 17-0 loss at Florida State last year.

*Clemson gained a season high 494 yards in total offense, 323 rushing and 171 passing. It was a season high for the Tigers in terms of total offense, and the sixth game this year with at least 400 yards. The Clemson record for 400-yard games in a season is seven. Clemson now has an average of 399.7 yards per game in total offense, or just three yards short of an average of 400 yards per game. Only two Clemson teams, 1991 and 1978, have averaged at least 400 yards per game over the course of a season.

*Antwuan Wyatt gained 171 yards in terms of all-purpose running, 83 in receiving, 50 in punt returns and 38 in kickoff returns and now has 1366 all-purpose yards for the season, an average of 124 yards per game. The record for the course of a season is 122 by Ray Mathews in 1950.

*Nealon Greene was 9-13 for 171 yards and a touchdown for the game, including 5-5 for 125 and a touchdown in the second half. For the season he has completed 107-183 for 1474 yards and 10 scores. He needs 182 passing yards in a bowl game to break Steve Fuller's single season passing yardage record (1655 set in 1977). Greene has a passing efficiency figure of 137.6 for the season, currently sixth best in Clemson history. His 107 completions rank in a tie for fourth best in Clemson history and his touchdown pass total of 10 is tied for fourth best in Clemson history. In many ways he has had the finest sophomore season in Clemson history for a quarterback. His 1474 yards and 58.5 completion percentage are best ever by a Clemson sophomore quarterback. His 10 touchdown passes ties the sophomore record of 10 by Tommy Kendrick in 1969.

*Clemson gained 334 yards of total offense in the second half and the Tigers did not punt the football. The Tigers' used three punters in the first half. The Pooch punt by Jeff Sauve was the first punt of his career.

*Freshman Anthony Simmons had 11 tackles on statistics kept in the press box, including 1.5 sacks and a pass deflection. The total gives Simmons 134 tackles for the season, a figure that ranks in a tie for 7th in Clemson history. He has already shattered the freshman record of 104 by Ed McDaniel in 1988.

*Leomont Evans had an interception in the fourth period, giving him four for the season and five for his career. Clemson now has 21 interceptions this year, at least one in each of the last 5 games and 9 of 11 games this year.
