## COACHES QUOTES

### COACH TIMMY WEST OF CLEMSON:

I think the biggest thing that happened was the drive at the start of the second half. State got the ball and drove down for a field goal. At halftime, you'd thought our team was 21 points behind the way it was acting, although we were ahead by a little at the half.

Penalties really killed us in the first half. It looked like we just walked through that first half. But the bottom line is that we didn't turn the ball over, except for that one time late, and we did the things we had to do to win games. We had great field position in the first half, but penalties -- penalties --

This is a team that not only wants to win, but this is a team that has learned how to win by not turning the ball over, by winning the rushing yardage, by playing field position. Everybody wants to win, but this team has learned how to win... and this wasn't a pretty win by any means.

This is really the seventh week in a row that we've had to get as high as we know how to get ... I didn't think we were emotionally sky high we came out today, but we had practiced well this week. In the first four possessions of the first half, we stopped ourselves with penalties, and that's inexcusable.

Our offensive line is much improved right now and they gave us what we needed. We knew that State would do a lot of stunting, and the like, and I thought we did a good job up front.

Who would have ever thought that at one point in time this team would be going to a bowl game...and that's the first time I've said that word...I wouldn't say it when I talked to them last night and we're real excited for this team, the football staff and their fans. Our football team knew what was at stake...they knew what was on the line and I think they reached down and they tried...I don't know if it was an emotional thing because this is not an emotional team.

### NC State Coach's Quotes

"We laid the ball on the ground three times and threw an interception. I think that is the difference in the football game. We gave them 14 points and they did what they had to do in the second half. They moved the football to put points on the board and put the ball in the end zone."

"I have to give their offense credit for coming out and doing what they had to do. They made things happen."

#### Punt Returns -

"Tony Scott was able to play. He sprained his knee last week and wasn't able to practice a whole lot until Thursday. Thursday he felt pretty good. Then today he came out and was feeling fine. He's been back there. He's been catching them and has done a very good job."

#### Passing -

"Clemson forces you throw the football. They are a very tough team to run against. They proved that last week against Virginia."

#### The Play of Jimmy Grissett -

"Jimmy is playing very well. He's played well for us all year. He is a tremendous competitor who wants the football coming to him when the game is on the line. He just does a great job. The one that he dropped, he shouldn't have. The other would have been a heck of a catch."

NC State Notes:

Tailback Tremayne Stephens Moved into sixth place on State's career rushing list with his six-yard rush in the first quarter. He moved ahead of Billy Ray Vickers who had 2,189 yards.

1996 Football News first team All-American Marc Primanti tallied 3 field goals of 20, 25 and 42 yards to run his ACC record for consecutive field goals made to 21. Primanti is one of five finalist for the Lou Groza award, given annually to the nation's top place-kicker.

NC State Quarterback Jamie Barnette had a career day in the air with 13 receptions for 271 yards. He also rushed 8 times for 22 yards giving him 293 yards in total offense, including 1 rushing tuchdown.

Marc Primanti was named 1996 NC State Textile Bowl MVP.
