Clemson vs. South Carolina
100th Game Notes, Death Valley (att. 84,000)
November 23, 2002

1st half

- 25-yard reception in the second quarter was the longest reception of the year for Clemson #17 Kevin Youngblood.
- Clemson #19 Aaron Hunt's 26-yard, and 28-yard field goals in the second quarter were his 11th and 12th consecutive made field goals respectively; record is 14 by Obed Ariri in 1980.
- Clemson #6 Charlie Whitehurst completed his first eight passes for 84 yards.
- Former South Carolina quarterback #9 Corey Jenkins caused a fumble for the second consecutive week.
- Clemson #2 Brian Mance made his 6th interception of the season, the 12th of his career, which moves him into a tie for third place all-time in Clemson history (Eddie Geathers, Robert O'Neal, and Alex Ardley).
- Aaron Hunt's field goal with :32 remaining in the half, marked the ninth time this season that Clemson scored with 80 seconds or less left in the first half (7 TD's, 2 FG's).
- Clemson #91 Bryant McNeal's sack in the second quarter was the 21st of his career, moving him ahead of Chester McGlockton to 6th all-time in Clemson history.

2nd half

- South Carolina's 70-yard touchdown pass at the beginning of the third quarter from #5 Dondrial Pinkins to #82 Troy Williamson was the longest play of the season for the Gamecocks. The play was also a career long pass for Pinkins and a career long reception for Williamson.

Clemson Head Coach Tommy Bowden

On the Clemson fans - "I really appreciate the fans and their involvement in the game. It's been a frustrating year, but the way they've responded here of late with the noise factor kept us up and kept the sidelines up. I'm just really appreciative of the environment they created tonight. It made the 100th game very very special."

On the last Clemson drive (starting at the 6:25 mark) – "I don't think there's any doubt (about it being the best drive of the year). Our offensive line and Yusef Kelly, the fullbacks and tight ends really did a good job to take the ball against a very good defense. South Carolina is a good team. Their strength is their defense. They're well coached, they have a good scheme, and they gave a lot of good teams problems. I was just real pleased with that last drive and what our offensive staff did."

"You can't say enough about the offensive line and the job they did."

On Whitehurst's performance – "Maryland was a little faster pace than what Duke or North Carolina was, and I think he (Charlie Whitehurst) got acclimated to it. South Carolina then brought pressure, and they rushed three and dropped eight, and I thought Charlie responded well in both situations. I thought Brad Scott and Mike O'Cain did a good job in getting us in the right play."

On falling behind and then regaining control in the fourth quarter – "When they came out and got those two quick scores, no one got down. I attribute that to the fans because they wouldn't let us get down. The seniors took over, but I think there was a good feeling about the team all week and about the whole game."

"We had a meeting last night; some of the seniors got up and spoke. Jackie Robinson finished it off. I hate to mention seniors individually, but with the game he had tonight and what he's meant to this team over the course of the year, I couldn't be happier for him and a bunch of them. He had that one catch and broke a tackle."

Coaches Quotes

South Carolina Head Coach Lou Holtz

"We've never been able to stop people after we've scored all year. Every time we score, they seem to come back and score. They were just running the sweep. There were times- I'd have to look at it on film- sometimes they'd be stuttering four or five yards deep next thing I know they're plus six. I'd have to look at it on film. You know, you don't want to point fingers, our players played hard. They're wonderful young men. We didn't stop them and consequently we never got the ball back.

Our third-down play hurt us and mainly we got hurt across the middle. Its been a problem much of the year. I really thought that Tremaine Tyler really stepped in there and played well. We had some missed tackles that hurt us.

I thought that Dondrail Pinkins really did a good job. I was very pleased with his performance.

We had fourth and one and we kicked a field goal and we probably should have gone for it. You know you pick it up when you're ahead 20-13, you know, you just came back and took the lead with about a minute to go in the third quarter-but in the end it was whoever had the ball last and we dropped that pass.

On the officials ejecting a member of the USC coaching staff from the game:
He felt that some people ware getting on him. He threw one guy out of the game and I asked him; "Was there any profanity or anything?" He said no. There was no profanity or anything. I don't know, you'd have to ask him. It was a late hit and somebody said, "It looked like a late hit!" And he said, "I don't want to hear another word. The point I want to make is this: the officials are there and they have a job to do and I don't fault them for that, but there was absolutely no profanity or no derogatory comments made about that individual.
