Coaches Quotes

Clemson Head Coach Tommy Bowden

“We were happy to come out with a victory. We lost one like that last week, and I think that you are starting to see what the ACC of the 2000’s is going to look like. There is a lot of parity and every year all the teams are going to have a shot at the title. There are a lot of good coaches, and every game is going to be a tough battle.”

“The players never quit today. We talked last night in our team meeting, before the game, and at halftime about playing 60 minutes. I’ll tell you what, if there are going to be games like that, you aren’t going to see any more Joe Paterno’s or Bobby Bowden’s coaching for such a long time.”

On Spiller

“C.J. had the hot hand today. When you have a couple of options at running back, you can see which one is going to be your most productive. When you keep pounding away with talented backs, you are going to get a big play.”

On Thomas Hunter

“He is really consistent. He has been here for five years and has worked really hard to improve every year.”

On Bye Week

“These kids deserve a break. We have played 11 games in a row, and they surely deserve some rest.”

NC State Head Coach Chuck Amato

On Clemson’s Defense

“Clemson had a phenomenal goal-line defense. We were right there, but we felt that instead of taking the ball back six or seven yards deep, we had a better chance of taking the ball over the defense. If it goes over and gets knocked out, it is still a score. That was big. If we could see into the future that it was going to come down to this, maybe we would have kicked that field goal.”

On the offensive line and injuries

“We had an awful lot of people get banged up. You probably didn’t recognize the offensive line at the end of the game. The chemistry in the offensive line is extremely important and when you moving people around and adjusting that many, it is not good against a defensive front like Clemson’s. But, we moved the ball. We had opportunities, we just didn’t score.”

On “almost” winning

“It is frustrating to be almost there. We just have to find a way. Other teams are so close to losing, and they have all won. We are winning the turnover margin and we had very few penalties. These youngsters are something special. I am here to dwell on the good, because there is a lot of good that they do.”

On Improvement

“Our players are not happy with the results. We just have to keep going. We have a huge game next week against our rival at our place. We have encouraging things; our players have gotten better. They have corrected mistakes with penalties and turnovers.”

Player Quotes

Clemson Wide Receiver Chansi Stuckey

We did enough to get the win. The defense made plays all day and the offense was able to do enough to put points on the boards. This was a huge win for us. To come back and win after what has happened the last two weeks says a lot about this team. We kept fighting and were determined to come out with the win.

It is a relief to get a break after 11 straight weeks. This will give our guys a chance to get healthy and come back fresh for South Carolina.

Clemson Defensive Back Duane Coleman

After last week the defense had had a sick feeling. There was no way we were going to come back and do the same thing this week. We had talked about making one more play than them. That is what we did.

Having a week off after playing for 11 weeks is a grind. The week off will mean a lot to us. We will come back fresh and loosey-goosey for South Carolina.

On First Career Interception

That was a great feeling. I had never had an interception—high school, middle school or college. I just wish I could have stayed inbounds and gotten some more return yards.

Clemson Running Back CJ Spiller

My offensive line did a great job. The offense made enough big plays to keep us ahead and the defense kept getting stops. On the touchdown (52-yard runner in second quarter) I was able to get outside and get past the safety. I can't make that play without my offensive line getting me past the first wave of guys.

Clemson linebacker Nick Watkins

This was crunch time for us. Losing two games back to back here is not acceptable. After last week the defense was going to do what it took to make a stop at the end. That makes this win special.

On interception in fourth quarter

NC State was in a five-receiver set. Coach Koenig had us in the right place. Antonio Clay tipped the ball and it came right to me. With out Antonio I don't have the opportunity to make the play.

NC State Postgame Notes
NC State at Clemson • 11/11/06

- Toney Baker set career-highs with 174 rushing yards and 34 carries, the first 100-yard rushing game of his career. His 34 carries tie for the fourth most in school history and were the most since Ray Robinson had a school-record 40 against Maryland in 2000. Baker's 174 yards rank 18th all-time. He rushed for 118 yards on 20 carries in the first half.
- Baker became the 22nd Wolfpack player to rush for 1,000 career yards. He did so in his 21st career game making him the 12th fastest in school history to 1,000.
- All seven of the Wolfpack's ACC games have been decided by eight points or less. For the 32nd time in 55 ACC games under Amato the outcome been decided by seven points or less.
- Baker joined Andre Brown in going over 1,000 career yards as Brown did it earlier this season. The duo is the first pair of teammates to have 1,000 career yards since Rahshon Spikes and Ray Robinson in 1999.
- Redshirt freshman defensive end Willie Young scored on a 34-yard interception return for the first touchdown of his career. It marked the first time a defensive lineman scored a touchdown for the Wolfpack since Alan Hallaway scored on a 43-yard interception in a 50-44 loss to Florida St. in Tallahassee on Nov. 15, 2003.
- NC State had a season-low in penalties and yards with two for 10 yards. The Wolfpack didn't commit a penalty with 4:17 left in the third quarter. That was the lowest number of penalties and yards since the 2002 Virginia game when the Wolfpack also had just two penalties for 10 yards.
- The Tigers had allowed a league-low five sacks all season, but the Wolfpack recorded a pair in the contest as Ernest Jones and Lerue Rumph each recorded a sack.
- Darrell Blackman returned a pair of kicks for 68 yards (34-yard average). He ranked eighth nationally in kick return average coming into the contest and is now averaging 31.4 yards-per-return this season, a mark that would be second in school history for a single season. He is the Wolfpack's career-leader in kick return yardage at 29.7 yards-per-return.
- Clemson's CJ Spiller scored on a 52-yard touchdown run in the second quarter, the longest rush the Wolfpack has given up this season.
