Head Coach Tommy Bowden Post-Game Quotes
Clemson vs. Florida State
September 3, 2007

Overall Comments

"It was great to get the win tonight against a very good football team in Florida State. They played well and never gave up. I was disappointed with the number of penalties we had and we still have things to work on, but I was pleased with our play overall.

On Florida State

"Florida State is a good football team. I knew they wouldn't quit and they could have easily folded. I give them a lot of credit."

On DeAndre McDaniel

"DeAndre is a very talented player and is still an unpolished product, but he has a tremendous future ahead of him."

On Cullen Harper

"He had a lot of anxiety built up, but I thought he did a really good job tonight. I was pleased with his performance and look for him to continue to improve."

On Buchholz and kickoff coverage

"Mark Buchholz did a good tonight in his first game and our kickoff coverage unit played well. I give Coach (Andre) Powell a lot of credit for that and my hat is off to him."

On Nick Watkins

"Nick is a very fast football player and it was good to see him perform well tonight. It is important that he and Tramaine (Billie) play well since they are our only seniors on defense."

Bobby Bowden Post Game Interview

On 24-18 defeat:

"I have never been in a game like that. In the first half there was a lack of blocking and tackling. We didn't block and we didn't tackle. They did block and they did tackle. So you have a 24-3 ball game. In the second half we came out and played a little bit better, but not good enough. We blew a lot of assignments."

On Clemson's offense:

"I hate to take anything away from Clemson, they have a fine, solid football team and their backs are so dangerous. He's (Tommy Bowden) has three game breakers (Ford, Spiller, Davis) in his ball club and #80 (Aaron Kelly) is a good, solid player. We kind of got a hold of them the second half a little better, but we needed to do that the whole game to win the game."

On improvements for next week:

"As I go back, it's blocking and tackling. We'll try to improve that and get better. One thing about this game being early is that we'll see the problems and be able to work on them."

On quarterback Drew Weatherford's play in the last drive:

"He wasn't sharp and I was surprised. He made some good plays. He had a lot of sacks and I don't know if he wasn't reading the right thing or if they just had a guy free and he couldn't get away from him."

On Clemson's defense:

"I thought they called a good game defensively."

Clemson Quarterback Cullen Harper

On gaining win over Florida State

“It feels good to get a win over a really good Florida State team. Their defense really came out in the second half with great intensity. We knew it would not be easy.”

“I give a great deal of credit to our defense. They kept making play after play and putting us in good position in the first half. All summer our slogan was to finish the job. We were able to do that tonight.”

“It is good to get this win, but we have shown the last few years that getting a win over Florida State does not get you an ACC Championship. But this was the first step towards that goal.”

Clemson Defensive End Phillip Merling

On fourth down stop

“Our entire defensive line was part of that play. We had pressure on their quarterback and he did not have anywhere to go. We have worked all summer to be in the position to make a play at the end to win. It feels good to do that.”

Head Coach Bobby Bowden

"We woke up too late, don't know why. The first half was the worse half I've seen us play. It's mainly blocking and tackling. They were blocking, they were tackling. We were not blocking, we were not tackling. And really that was the biggest difference. Not that they were making greater catches or greater throws.

The atmosphere was excellent for them. We blew more assignments than we've blown in years. I think it's the new offense coming in.

You got to get back to blocking and tackling. If you don't block and tackle there ain't no offense in the world any good at all
