Clemson vs. Miami Postgame Quotes
October 2, 2010
Clemson Memorial Stadium

Clemson Head Coach Dabo Swinney

On the game:
"We had a lot of turnovers and inconsistency throughout the game. You just can't win without good ball security, especially with six turnovers. It was a disappointing loss. We dug ourselves into a hole in the first quarter with our defensive mistakes. This was a tough game, because in the past we've been taking care of the football very well and then today we didn't do that.

"Our first half was really shaky, but we came back in the second half stronger. It says a lot that we only lost 30-21 to a very good football team in Miami with six turnovers. I want to congratulate Coach Shannon on an excellent win.

"I still believe we can bounce back from this loss and become the team I know we can be."

On the defense:
"Defensively we improved after the first half and played pretty well in the second half. But we had three huge busted plays, which cost us dearly. We need to grow on errors such as those, and that growth starts with me and my errors."

On the offense:
"We couldn't sustain drives and had a lot of turnovers. There is no way to have an effective offense with flaws like these. We also had a lot of big drops by the wide receivers that were costly."

On Andre Ellington:
"He played a tough game and was consistent throughout the game. He got a little banged up during the game, but kept working hard."

On DeAndre Hopkins:
"Hopkins went out and earned his spot today. We've been having our own competitions in practice between the wide receivers and he stepped up today on the field and proved himself. The one thing he needs to work on is holding on to the ball, but he's a freshman and will learn from his mistakes in time."

Miami Head Coach Randy Shannon

Overall thoughts on the game:
"Both teams had some big plays in the game. Both teams had bone-headed missed tackles and turnovers. It was just one of those games where I thought our guys really

stayed focused and played hard and didn't stress. Defensively, they really showed a lot of poise in the second half."

On the situational play of tailback Mike James:
"His number was called, and anytime somebody's number is called, he steps up and goes. He caught a wheel route touchdown pass today. It was something that we use because he's in the game sometimes as a fullback to block. We use him in every sort of way that we can to score points."

On forcing turnovers:
"It breathes something into your defense. If we can keep creating turnovers, we are going to be better as a football team. It's all about field position. You want to have the field position. In the second half, we didn't have the field position until we forced a couple of turnovers. That is huge for us."

On the play of quarterback Jacory Harris:
"Any time you go on in to score a touchdown, it was a right read and ball placement. You don't want the turnovers, but he made some great plays for us today. We just have to keep working on it and keep cleaning it up. The one thing we can't do is go shell-shocked. We won't do that at Miami. We feel like we have a great quarterback that is going to give us a chance to win."

On having so many turnovers and penalties:
"It frustrates the players. We know that they work hard and keep up with everything. They know that if they eliminate the little mistakes, it will help us out."

Clemson Players

Dalton Freeman, OL
"Coach Swinney put it in our hands to get a first down on third-and-one and fourth-and-one, and we all said we wanted it. That's just on us. We have to look at that and try to get better; it was very disappointing but things like that are going to happen. We had been running the ball right up the middle and we should have gotten a first down. That should have worked."

"We did pretty well against their front line. There was a slight bit of miscommunication at times. They were in some different formations than we were expecting. All-in-all, you just have to credit Miami."

Jamie Harper, RB
"The leaders on this team are going to carry this team. We're going to take this one and just roll with it."

"Miami is a great team. I thought we came in and hung in with them pretty well but six turnovers is not how you win a game."

"Every loss is frustrating. We had plenty of scoring opportunities and just couldn't make it happen. We're going to come out next week and move forward."

Andre Ellington, RB
"When you're on the field, you think you're doing your job but then you look after and you've had a blown quarter. We've just got to get back at it and keep going."

"Turnovers are not going to win a game at all. It's very frustrating and we have to do a better job of protecting the ball."

"It's frustrating to come so close against big opponents. These guys and the coaches know that this is a great team. We just have to start showing that."

October 2, 2010

Team Notes

* Entering today's game Clemson had outscored opponents 35-0 in the first quarter. Miami ended Clemson's scoreless streak on defense w
a first quarter touchdown pass by Jacory Harris. Clemson had given up just 10 points in the first half of the first three games (85-10), but
Miami scored 27 in the first half against the Tigers and led 27-14 at halftime.

* With Clemson's one play and 71-yard drive of 12 seconds in the first quarter, the Tigers have now had 11 touchdown drives of less than
two minutes this season.

* The visiting team has now won the last four meetings in the Clemson – Miami series, all of which have taken play since Miami joined the
ACC.

*This was just the fourth Clemson loss on Homecoming since 1971. Clemson is now 34-4-2 on Homecoming over the last 40 years.
Clemson had won eight in a row on homecoming prior to today. Dabo Swinney had been 7-0 as an assistant and Head Coach on
homecoming prior to today.

*Clemson held Miami to 96 yards total offense and just three points in the second half.

*Clemson committed six turnovers today, the most by the Tigers as a team since the Tigers committed six against Georgia Tech in Dabo
Swinney's first game as a head coach on October 18, 2008. Clemson had gone 22 consecutive games without having more than three
turnovers in a game.

*Clemson entered this game seventh in the nation in turnover margin and Miami was 100th. The Tigers lost the turnover game 6-2. That w
the worst turnover margin in a game for the Tigers since Dabo Swinney's first game as head coach when Clemson had six and Georgia Tecl
had two in that 2008 game.

2007 Virginia Tech game that both teams had an average of at least 46 yards per punt.

Individual Notes

* Andre Ellington's 71-yard touchdown run in the first quarter was the longest run of Ellington's career. His previous long was 60 yards
against North Texas earlier this season, which also went for a touchdown and came on the first play of the game. This was also the longest r
by Clemson since 2007 in the Chick-fil-a Bowl against Auburn when C.J. Spiller had an 80-yard run.

* Ellington also scored all three of Clemson's touchdowns in today's game, a career-high, and had 107 yards rushing and 39 yards receiving
Ellington has now had 100 yards in three of the four games this season and has scored at least one touchdown in every game. Ellington now
has 380 yards rushing this season, C.J. Spiller had just 288 yards rushing through four games last year.

* Rashard Hall recorded his first interception of the season in the second quarter on pass from Jacory Harris. The interception was also the
seventh of Hall's career. He was Clemson's second leading tackler today with eight.

* Marcus Gilchrist recorded his first career interception in the second quarter in the endzone on a pass by Harris. Today was his 44 game as
Clemson Tiger. He has never missed a game. Gilchrist also had the longest kick return of his career, a 50-yard return, in the fourth quarter
today's game. He finished the game with a career-high 73 kick return yards and had 117 total return yards including his 44th punt return
yards.

* Jarvis Jenkins had the third blocked kick his career when he blocked a Matt Boscher extra point in the second quarter of today's game.
Jenkins had the last blocked kick by Clemson in 2009 when he blocked a field goal against South Carolina. Jenkins also had a blocked extr
point in 2008 against N.C. State. He has now tied the Clemson record for total blocked kicks in a career. Mitch Belton (1989-90), Leomon
Evans (1992-95) and Brian Dawkins (1992-95) also had three total blocked kicks in a career.

* Da'Quan Bowers recorded six tackles with a career-high 4.5 tackles for loss and a sack in today's game. Bowers now ranks in the top 10
the nation in tackles for loss per game as he had 10.5 in just four games. He had 11 tackles for loss all of last year.

* DeAndre Hopkins had a career-high in receptions (3) and receiving yards (37) and had the longest reception of his career with a 20-yard
