Boston College Postgame Quotes Boston College vs. Clemson October 30, 2010 Alumni Stadium, Chestnut Hill, Mass.

#### Head Coach Frank Spaziani:

Overall:

"I have to congratulate the players. They've been working hard and they haven't stopped. It paid off in a 'W'. I am very happy for them. I think the coaches did one of the better coaching jobs that I've been around: maintaining their enthusiasm, keeping the players going and never once blinking. It paid off."

"Every week you re-evaluate yourself, you look at what you did, how you can best help your players. We know our players. We know ourselves. We're not geniuses. We're just technicians, not magicians. So we got them out there. We lined them up and the players executed. We practiced it more. We tweaked some things and it worked out. This week it worked out."

#### On the defensive effort:

"It is a tribute to the players, the coaches and the type of people we have here at BC. There are no excuses. No one wants to hear it. No one wanted to hear it when we lost five in a row. Guys stepped up. Somebody has to play. We've got guys on scholarship. They have to do the job and we have to coach them. We have to manage our way through it. Kudos to those guys. They did a great job."

On the play of Luke Kuechly, specifically his stopping a Clemson receiver short of a first down on a fourth-down attempt in BC territory late in the fourth quarter:

"Luke is a very instinctive football player. We try not to get in his way. We try to get him lined up to go places. He understands what people are trying to do to us. He anticipated, he had a feel on the sideline, what they were going to do, as well as we did and he stopped them. I wish we had more of him."

#### On the play of the offensive line:

"I can't say enough about the job that those guys did on offense and certainly the offensive line. We're not running off to the end of the rainbow yet, but last week we had our first full week of practice where everybody was there, everybody was at the same position. This week was the same, everybody was there, everybody was out working and that's how you get better. You show up. You work. You're at the same position. You're coached well. The results paid off. That's why we were able to make some progress. It's a tribute to the kids, their character, the type of people we have here. Everybody should be proud of them. I certainly am. They're a great bunch of kids."

#### Junior RB Montel Harris

On being happy to win:

"The locker room is a way different atmosphere. Everyone's happy now and we just have to keep going so we can get to a bowl game."

#### On team coming together:

"The team hung in there. The defense came over and said, 'They're not going to score on us, so as long as you all do your job and get it in the end zone we're going to win the game.' And they did just that, kept them out of the end zone, and we were able to win."

#### Freshman OB Chase Rettig

On shaking off the first quarter interception:

"That was just a mental screw up for me. I just didn't let it get to me. The rest of the team picked me up and let me know the play's over. So I pretty much started the game over in my head and went from there."

#### On feeling more confident:

"Experience wise it definitely helps. I go out there and today the game didn't start the way I wanted it to but I felt a lot more comfortable. That just didn't go my way. Every game I feel like I'm growing more and more and understanding what parts of my offense we can utilize more."

#### Sophomore LB Luke Kuechly

#### On defense:

"We did a good job stopping the run the whole game. I think one of the biggest things we were able to do this game was get off the field on third down. That's something we haven't been doing very well this whole year and I think when you get off the field on third down the results show. We did a good job in the second half, and the first half, doing that."

#### On coming together as a team:

"I think the biggest thing about today is we came together as a team. The offense played great, the defense played great, and the biggest thing was the special teams. We had a fumble recovery on a kickoff, Nate (Freese) kicked three field goals and Ryan (Quigley) did a great job punting. We came together not only as a defense but as a team, and that's what we need to do from here on out."

#### Senior CB Chris Fox

#### On getting a chance:

"It's nice to get my chance, to feel like you did something important to help the team. I've been waiting a while and it's unfortunate when guys go down. We had a lot of leaders in (DeLeon) Gause, (Alex) Albright and Wes (Davis) but we have a lot of good guys that stepped up. It's a job. You have to step up and fill in shoes and I think we did it to the best of our ability and we're going to keep doing it."
