Clemson player quotes
12/31/10 – Meineke Car Care Bowl

Quarterback Tajh Boyd

“We just have a lot of little things to work on. I think we have a championship caliber team. Hopefully, we can put all the pieces together and become that championship team next year.”

“Losing like that has been the story for us all year. It was disappointing the way it ended, but things happen for a reason. I think this was a time to get some of our guys to grow up a little and let them know what kind of team we could be next year.”

Wide Receiver Brandon Ford

“I think my game has really improved. I need to work on blocking a little more, but it’s getting there. I’m working on it every day, even in the off-season. I’m just trying to become a better player.”

“I thought DeAndre McDaniel had recovered that second onside kick. The first thing I said was ‘This is going to be crazy. I’ve never been in this situation before’. It looked to me like he had it but they measure it by the spot of the ball. I thought we had the game at the end. Things like that happen in life and you just have to deal with it.”

“This has been a tough year. We expected to go back to the ACC Championship and things just didn’t go our way. We had players coming back and then we lost (Andre) Ellington early. Guys just had to step up and we just had to keep fighting.”

Quarterback Kyle Parker

“I think we had some high expectations this year, but we’ve had to learn a lot of lessons. It’s been a tough season. I’m going to miss Clemson. I enjoy playing football and that’s going to be the toughest thing for me to give up.”

“I don’t think the one broken rib is going to really affect my baseball game; at least I don’t have to worry about taking shots from 300-pound guys anymore. I don’t think I’m going to be able to swing the bat for awhile.”

“I thought at first it was the same injury that I had at Auburn where my whole side was just bruised. It felt the same. I was just expecting to get a shot at halftime, but after the x-ray, there was nothing we could really do.”

Defensive End Da’Quan Bowers

“This game really doesn’t have any impact on whether or not I decide to leave early (to go to the NFL). I’ve lost before; this isn’t the first time and it definitely won’t be the last. I just have to make the best decision for me and for my family. I’m going to sit down and think about it long and hard, and then come up with my decision.”

“It’s really tough knowing that we were the first team to have a losing record since 1998. We really don’t want to be associated with that negativity. We really wanted to be able to get it done this season, and just weren’t able to. The coaches are going to sit down and analyze why we weren’t able to do what we wanted and we’ll start fresh in the spring.”

“The main thing we have to do to improve is just have a great off-season. We have to get back in the weight room and have a strong summer. It starts then. We start back in about two weeks. We have to start the next season now.”

2010 Menieke Car Care Bowl – Post Game Quotes

Dabo Swinney

Clemson University

Head Coach

RE: Opening Statement

First of all, I'd just like to congratulate South Florida, they were well prepared and played well. They took advantage of some turnovers and capitalized well and you have to give them all the credit. The only thing really positive to say on our end is that we didn't quit. They kept battling and kept competing until the end. We were half yard short of coming up with the other inside kick and who knows what would have happened. I'm proud of those guys for their "never quit" attitude, that's a great quality and I told them that after the game. I appreciate our seniors and all those guys who will be moving on in different directions, I appreciate their contributions. We're going to miss those guys. Obviously we're very disappointed with the outcome of the game and the way we played but it's about moving forward for me. I'm going to do everything within my power to make sure that I get us better as a football team and that this never happens again. We have to live with it and it's nobody's responsibility but mine. We're going to move forward from this point.

RE: USF's ability to avoid Clemson's pass rush

They got rid of it quick with a lot of screens and mixed in a little bit and went to the screens as well and had some success there especially early in the game. They didn't hold the ball very long as well.

RE: USF's ability to stop the run

Yeah, we couldn't run the ball and that was disappointing. They were really good at the point of attack. We thought we got ourselves into a little rhythm there late in the second quarter, but it just never materialized. The interception that went for another score kind of changed the game and the style of play. It just wasn't our day from that stand point. Again though, we did some good things, made some plays and gave ourselves a chance right there at the end.

RE: Kyle Parker's injury

He was injured on the first and goal on the two. It's worse than the Auburn game, they're broken.

RE: Upset fans

I don't blame them for being upset, they should be upset, I'm upset and it's nobody's fault but mine. If I was in the fans' shoes, I would be questioning me and doubting me too. We lost our confidence somewhere along the way and it's been a tough year, but it's going to be a new year starting tomorrow and I'm going to do everything I can to make sure that this never happens again. This is just a valley that we can all look back on and remember one day but we can come out of it and grow from it. I don't blame the fans one bit for being ticked off, they should be ticked off. I'm going to do everything I can to get us better.

RE: B.J. Daniels performance

He's a good player, he's a runner and he did a lot of good things with his legs today. We were getting outside the containment a few times and he ran out a good draw play. On the first touchdown, he scrambled around and we came out of coverage and he found the receiver. That's kind of his style and what he does best. I watched him in high school do that. He was a big difference for them today.

RE: Possible coaching changes next year

As I said earlier, I'm going to do everything I can to make this program better. That includes anything and everything within my power. I'll speak any further on that at a later date.

Clemson Post Game Notes**Team Notes:**

*When Clemson recovered an on-side kick in the fourth period, it was just the third onside kick recovery for Clemson in the last 31 years, but the second that took place in a bowl game. The others took place in the 1979 Peach Bowl against Baylor and the 2002 game at Florida State.

*Clemson closed the season with a 6-7 record, the program's first losing season since 1998. Ten of Clemson's 13 opponents played in bowl games this year, the most in one season in school history.

*Clemson scored 26 points in today's game, the most for the Tigers in a bowl game since the 2003 season Peach Bowl when the Tigers scored 27 in a 27-14 win over Tennessee.

*Clemson converted on fourth down 3-3 opportunities today. Clemson had ranked 100th in the nation in fourth down conversions entering the game and had converted just 5-13 for the season prior to today.

*Clemson and South Florida both rank in the top 20 in the nation in scoring defense entering today's game, but combined for 57 points. They were giving up a combined 37.3 points per game entering the contest.

Individual Notes

*DeAndre Hopkins, who will join the Clemson basketball team next week, had nine catches for 105 yards. He finished the season with 52 receptions for 637 yards. The reception and yardage totals are records for a Clemson true freshman and the second most receptions and yards by any freshman. Derrick Hamilton has the records for both with 53 catches for 684 yards.

*Hopkins nine catches set a Clemson record for a bowl game. Perry Tuttle, who lives in Charlotte and was at today's game, had eight catches against Baylor in the 1979 Peach Bowl.

*Tajh Boyd threw two touchdown passes in today's game, the first Clemson freshman in history to throw two touchdown passes in a bowl game. The last Clemson freshman QB to throw a touchdown pass in a bowl game was Kyle Parker last year.

*Brandon Ford caught two touchdown passes in today's just 64 seconds apart in the final two minutes of the fourth period. Ford became the first Clemson player in history to catch more than one touchdown pass in a bowl game. Ford, who is no relation to former Tiger and current Oakland Raider Jacoby Ford, had never caught a touchdown pass prior to today's game and had just seven career receptions entering this game. Ford finished with a career high four catches for 45 yards.

*Jamie Harper caught four passes today, the most in a bowl game by a Clemson running back. He finished the season with 35 catches, third most in Clemson history for a single season by a running back.

*Da'Quan Bowers was credited with a tackle for loss today and finished the season with 26, tied for third best in Clemson history by a defensive lineman. The record is 27 by William Perry in 1984 and Rob Bodine in 1991.

*DeAndre McDaniel had 12 tackles in today's game and finished his career with 43 tackles in four bowl games. He had a team best 15 tackles in the win over Kentucky in last year's Music City Bowl.

*Andre Branch had two tackles in today's game and finishes the season with six, second to Da'Quan Bowers 15.5.

*Kyle Parker finished the game by completing 11-17 passes for 134 yards before suffering a broken rib on a running play just before the half. Parker finishes his career fifth in Clemson history in career completions (401), passing yards (4749) and touchdown passes (32).

*Chandler Catanzaro made 2-3 field goals today and finished the season by making 6 of his last 7.
