POST GAME QUOTES --- N.C. State vs. Clemson, Nov. 19, 1966, Carter Stadium.

EARLE EDWARDS, N.C. STATE:

"Very happy and very proud of our boys for that comeback. We didn't get much done the first half. Clemson had a good first half, while we played well in the second half.

"Deters' field goals made the difference in the game.

"DeArment's run put it away. DeArment has had three runs for us that have won games.

"Rowe... I haven't known Gary Rowe to have any other kind of game than today. He is a remarkable player and just does everything for us.

"The defense just tightened up in the second half and Byrd was his usual self. Those interceptions count so much. There is nothing like them if you get them.

"McMahon and James were ~~xxx~~ outstanding in the secondary. James played with a bad shoulder and I know it must have hurt him everytime he tackled somebody. McMahon is as near fool-proof as anybody we've had at his position.

"I was disappointed that we didn't do anything in the first half. And we didn't help ourselves earlier (1-4 start). It would have made this game ever more important. But that is water over the dam and we are very very happy about this win.

"Clemson has a good team and we always play a rough game with them. Both teams hit hard all day. Gore is a great runner. Addison is a real good passer.

"We stopped them on key third downs, with men rushing hard to throw them for losses. We made some very important tackles which gave us the ball.

"Let me say something about Bill Wyland. This boy was hurt before the season, got hurt in our first game, had to sit out a couple games. He then came back again and got hurt two weeks ago, dislocating his shoulder. He came back today and did a tremendous job. Scored our first touchdown.

"We are going to miss these seniors."

COACH FRANK HOWARD:

Aint much you can say when you lose like we did. I don't know what was wrong in that second half. We just didn't do anything. We should be in shape, but against Wake Forest, Maryland and now State, we haven't done too much the second half.

"Midnight" (Coach Earle Edwards) does a good job year end and year out with the material ~~xxxxx~~ he gets. They have a pretty stadium up here now and we don't mind coming up here and playing. Not like it used to be.

I thought if we were ever ready to play, we were today. I didn't see a thing that led me to believe otherwise. But we didn't and they came after us. Looks like they just wanted it worse than we did.

I thought the way we were playing in the first half, we'd end up a winner by three or four touchdowns. But what happened those last 20 minutes, I can't explain right now.

POST GAME QUOTES --- N.C. State vs. Clemson, Nov. 19, 1966, Carter Stadium

EARLE EDWARDS, N.C. STATE:

"Very happy and very proud of our boys for that comeback. We didn't get much done the first half. Clemson had a good first half, while we played well in the second half.

"Deters' field goals made the difference in the game.

"DeArment's run put it away. DeArment has had three runs for us that have won games.

"Rowe... I haven't known Gary Rowe to have any other kind of game than today. He is a remarkable player and just does everything for us.

"The defense just tightened up in the second half and Byrd was his usual self. Those interceptions count so much. There is nothing like them if you get them.

"McMahon and James were ~~xxx~~ outstanding in the secondary. James played with a bad shoulder and I know it must have hurt him everytime he tackled somebody. McMahon is as near fool-proof as anybody we've had at his position.

"I was disappointed that we didn't do anything in the first half. And we didn't help ourselves earlier (1-4 start). It would have made this game ever more important. But that is water over the dam and we are very very happy about this win.

"Clemson has a good team and we always play a rough game with them. Both teams hit hard all day. Gore is a great runner. Addison is a real good passer.

"We stopped them on key third downs, with men rushing hard to throw them for losses. We made some very important tackles which gave us the ball.

"Let me say something about Bill Wyland. This boy was hurt before the season, got hurt in our first game, had to sit out a couple games. He then game back again and got hurt two weeks ago, dislocating his shoulder. He came back today and did a tremendous job. Scored our first touchdown.

"We are going to miss these seniors."

COACH FRANK HOWARD:

Aint much you can say when you lose like we did. I don't know what was wrong in that second half. We just didn't do anything. We should be in shape, but against Wake Forest, Maryland and now State, we haven't done too much the second half

"Midnight" (Coach Earle Edwards) does a good job year end and year out with the material ~~he~~ gets. They have a pretty stadium up here now and we don't mind coming up here and playing. Not like it used to be.

I thought if we were ever ready to play, we were today. I didn't see a thing that led me to believe otherwise. But we didn't and they came after us. Looks like they just wanted it worse than we did.

I thought the way we were playing in the first half, we'd end up a winner by three or four touchdowns. But what happened those last 20 minutes, I can't explain right now.
