STATEMENT BY COACH FRANK HOWARD

After Bubby Gore made a ~~xxxx~~ nice gain to give Clemson a first down on the Alabama 19, Howard turned and said to a question, "Yeah, we're going for 2. But Clemson did not have the chance because of an interception.

Coach Bryant told Coach Howard at midfield, "Those fumbles really hurt you."

Howard said his team had played fine football not to have but ~~was~~ one ~~was~~ win this year. Last year we had tough luck on field goals, ~~today~~ today, it was Alabama.

It's bad to play a ~~good~~ good game like this every Saturday and not win. Our pass defense is still a little leaky.

Waters did all right at flanker. He has pretty good speed and has a good set of hands.

I think we played just as good against Auburn and Georgia Tech and I can't find too much fault out there today.

We have a pretty good running attack, but we still have to work some more on that pass defense. I sure would like to have won that one today, but the Alabama defense rose up at opportune time for them.

Personally, I can see a tremendous improvement in our ~~team~~ team now and what it was at the first of the year.

HERE ARE THE QUOTES FROM COACH PAUL BRYANT:

"Naturally, I am proud of our team for winning. Things really got serious there for a while. I had felt early that we could move the football, but then we missed all those field goals, and they (Clemson) kept on coming back.

"You have to give Clemson credit for the fine job they did after getting behind 14 points. They came at us real tough, especially their running game. They must ~~have~~ have gained a mile on the ground, and that Gore (Buddy) is certainly a fine running ~~back~~ back.

"I wouldn't think those two quick touchdowns we got would put us to sleep. I think you just have to say that they came back very strong.

"I didn't think anybody could run the ball down our throats like they did. I'm sure the films will show that their offensive line beat out defensive line very ~~badly~~ badly. They did the same thing to us last year.

When asked to compare today's performance with that of a week ago against Tennessee, Bryant commented: "You can't compare them. Last week we were cutting and slashing on every play."

"Again, I compliment Coach Howard and his team for the job they did."

STATEMENT BY COACH FRANK HOWARD

After Bubby Gore made a nice gain to give Clemson a first down on the Alabama 19, Howard turned and said to a question, "Yeah, we're going for 2. But Clemson did not have the chance because of an interception."

Coach Bryant told Coach Howard at midfield, "Those fumbles really hurt you."

Howard said his team had played fine football not to have but ~~one~~ ~~one~~ win this year. Last year we had tough luck on field goals, ~~today~~ today, it was Alabama.

It's bad to play a ~~good~~ good game like this every Saturday and not win. Our pass defense is still a little leaky.

Waters did all right at flanker. He has pretty good speed and has a good set of hands.

I think we played just as good against Auburn and Georgia Tech and I can't find too much fault out there today.

We have a pretty good running attack, but we still have to work some more on that pass defense. I sure would like to have won that one today, but the Alabama defense rose up at opportune time for them.

Personally, I can see a tremendous improvement in our ~~team~~ team now and what it was at the first of the year.

HERE ARE THE QUOTES FROM COACH PAUL BRYANT:

"Naturally, I am proud of our team for winning. Things really got serious there for a while. I had felt early that we could move the football, but then we missed all those field goals, and they (Clemson) kept on coming back.

"You have to give Clemson credit for the fine job they did after getting behind 14 points. They came at us real tough, especially their running game. They must ~~have~~ have gained a mile on the ground, and that Gore (Buddy) is certainly a fine running ~~back~~ back.

"I wouldn't think those two quick touchdowns we got would put us to sleep. I think you just have to say that they came back very strong.

"I didn't think anybody could run the ball down our throats like they did. I'm sure the films will show that their offensive line beat out defensive line very ~~badly~~ badly. They did the same thing to us last year.

When asked to compare today's performance with that of a week ago against Tennessee, Bryant commented: "You can't compare them. Last week we were cutting and slashing on every play."

"Again, I compliment Coach Howard and his team for the job they did."
