STATEMENT BY COACH FRANK HOWARD OF CLEMSON

At midfield Coach Edwards of State said, "Congratulations" Howard said, "Thanks" and Edwards said "Good Luck." That was the extent of the conversation between the two coaches.

In his interview: "Oh-h-h, that Ammons. That just shows you what it's like to play with a quarterback. We really haven't had a whole one all year. But he's coming around each week.

"Boys lose for you and they win for you. We just came back today with a lot of determination and desire and put one across when we had to. I've seen times when we didn't, but today we did.

"We had a better ball club today and it would have been a shame if we had lost it. How do you all like that Waters at flanker? He's something, ain't he?

"When you lose, you get 15 years older and when you win, you get a year younger."

Mr. Robert C. Edwards, president of Clemson, was in the interview, and made a statement of confidence in the Clemson coaching staff, the Clemson football team and Coach Howard.

STATEMENT BY COACH EARLE EDWARDS OF N. C. STATE

It was great disappointment. We had great chances. You have got to make good when you get the opportunities. We had too many chances to do well. When they stop you it is good ~~defense~~ ~~it is rotten offense.~~

defense, when you don't score  
Clemson deserved it. They came back every time we took an advantage. They, as did we, played hard. We ~~wanted~~ wanted to win it very badly. Lots of big plays, ~~lots~~ lots of mistakes.

If they beat our linemen, ~~you~~ <sup>you're</sup> not going to run on anybody that knocks your blocks off. Bowers and ~~five~~ five or six of the boys had leg cramps. (Evans, Dockery, Tharpe) I don't know what caused it, or if Clemson had any trouble that way.

They outlasted us and got the important TD, and they got it easily. Ammons was successful. I didn't think they'd pass as successfully as they did. Thought they might run on us pretty hard. The defense was there, but seemed to turn too late. We didn't do that well today. (on passing defense)  
It was anybody's game. We got discouraged when we didn't take it ~~in~~ over from the four. Then we take the lead, and it was like a yo-yo.
