CLEMSON HEAD COACH FRANK HOWARD'S COMMENTS:

"I sure feel better than I did one week ago. Wake Forest has got a good team, better than I thought they had. I didn't know they would be nearly as strong as they showed us they were.

"We really needed a win and we got it. But I still say that Wake Forest has got one heck of a team.

"We didn't play too badly, but I didn't like the way Wake Forest ran around our ends. (Ivan) Southerland was out so we put Charlie Mayer in and used three other boys, (Winston) Lawton, (Don) Ethredge and (George) Ducworth on the other side. Mayer did a heck of a job and he played their end sweeps better than anyone else. It's good to have a bench so you can put some boys in there when you need them.

"One thing that might have hurt us some was our first touchdown. I believe we got it too easy. But the way we ran up and down the field, we should have beaten them.

(Rick) Medlin was doing a good job before he hurt his ankle. We got more out of our fullback today than we have in quite a while.

"(Ray) Yauger had another fine game. I would like to have Yauger and (Jack) Anderson back there together. If you don't have two great backs, then you give the ball to one and that's what we did with Yauger.

"I think the biggest play in the game was the catch by (Jim) Sursavage. It was supposed to be caught by Charlie Waters. But Sursavage caught it and it turned out to be a great play because we went on to break the tie.

"The game was tied for some time, but you know, I always think I'm going to win. I may not win all the time, but I think that I am going to."

WAKE FOREST COACH CAL TOLL'S COMMENTS:

"We stopped ourselves more than the opposition stopped us. Again, we made the mistakes which cost us victory in our last two games.

"I thought at halftime we would win...we've been a good second half team all season. We didn't have a let down. We just fumbled it away again.

"Our kids play well again. We moved the ball, but just didn't get enough points to win. Our passing game is improving every week.

"The turning point? When that kid (Clemson's Sursavage) made a great catch on us on that fourth-and-ten play which set up their go-ahead touchdown. Had he not come down with that pass, the game would have probably ended 14-14.

"Yauger is the hardest running back we have faced this season. Why, he's bigger than most of the boys we had trying to tackle him. And he ran right through tackles several times.

"Was there anything pleasing about today's game? Yes. The fact that we never quit. We gave an all-out effort all the way...and really, that's all I can ask of the boys."

#### CLEMSON HEAD COACH FRANK HOWARD'S COMMENTS:

"I sure feel better than I did one week ago. Wake Forest has got a good team, better than I thought they had. I didn't know they would be nearly as strong as they showed us they were.

"We really needed a win and we got it. But I still say that Wake Forest has got one heck of a team.

"He didn't play too badly, but I didn't like the way Wake Forest ran around our ends. (Ivan) Southerland was out so we put Charlie Mayer in and used three other boys, (Winston) Lawton, (Don) Ethredge and (George) Dicworth on the other side. Mayer did a heck of a job and he played their end sweeps better than anyone else. It's good to have a bench so you can put some boys in there when you need them.

"One thing that might have hurt us some was our first touchdown. I believe we got it too easy. But the way we ran up and down the field, we should have beaten them.

(Rick) Medlin was doing a good job before he hurt his ankle. We got more out of our fullback today than we have in quite a while.

"(Ray) Yauger had another fine game. I would like to have Yauger and (Jack) Anderson back there together. If you don't have two great backs, then you give the ball to one and that's what we did with Yauger.

"I think the biggest play in the game was the catch by (Jim) Sursavage. It was supposed to be caught by Charlie Waters. But Sursavage caught it and it turned out to be a great play because we went on to break the tie.

"The game was tied for some time, but you know, I always think I'm going to win. I may not win all the time, but I think that I am going to."

#### WAKE FOREST COACH CAL TOLL'S COMMENTS:

"We stopped ourselves more than the opposition stopped us. Again, we made the mistakes which cost us victory in our last two games.

"I thought at halftime we would win...we've been a good second half team all season. We didn't have a let down. We just fumbled it away again.

"Our kids played well again. We moved the ball, but just didn't get enough points to win. Our passing game is improving every week.

"The turning point? When that kid (Clemson's Sursavage) made a great catch on us on that fourth-and-ten play which set up their go-ahead touchdown. Had he not come down with that one, the game would have probably ended 14-14.

"Yauger is the hardest running back we have faced this season. Why, he's bigger than most of the boys we had trying to tackle him. And he ran right through tackles several times.

"Was there anything pleasing about today's game? Yes. The fact that we never quit. We gave an all-out effort all the way...and really, that's all I can ask of the boys."
