COACH ROY LESTER: We knew Clemson had a fine football team but we did not expect this. I thought we would be in the game and it is the first game we have been out of this year. They evidently are just much better than we are. We made way too many mistakes and did not playwell at all. Looking at the score board I guess they are 40 points better than we are. We just have to forget this one and get ready for Miami (Ohio) and Homecoming.

QUOTES FROM CLEMSON HEAD COACH FRANK HOWARD:

"I sure am glad that game is over. We handled them pretty well, but I thought they were better than they showed today.

"We've played against some good football teams this year, but it's good to be back in the ACC. And I think we are just as good as any team in the ACC.

"The only changes we made in our defense this week was to cut down on the line splits and put the rush on the passer.

"(Bill) Depew played a good game. You know Depew is from up there (Baltimore, Md.) and he likes to get after them real good.

"I would say the caliber of opposition today was not as good as it has been in the past few weeks. We are use to some real tough football teams.

"(Ricky) Gilstrap did a good job while he was in there. If we had left him in with the first unit line, he would have probably done an even better job."

COACH ROY LESTER: We knew Clemson had a fine football team but we did not expect this. I thought we would be in the game and it is the first game we have been out of this year. They evidently are just much better than we are.

We made way too many mistakes and did not play well at all.

Looking at the score board I guess they are 40 points better than we are.

We just have to forget this one and get ready for Miami (Ohio) and Homecoming.

QUOTES FROM CLEMSON HEAD COACH FRANK HOWARD:

"I sure am glad that game is over. We handled them pretty well, but I thought they were better than they showed today.

"We've played against some good football teams this year, but it's good to be back in the ACC. And I think we are just as good as any team in the ACC.

"The only changes we made in our defense this week was to cut down on the line splits and put the rush on the passer.

"(Bill) Depew played a good game. You know Depew is from up there (Baltimore, Md.) and he likes to get after them real good.

"I would say the caliber of opposition today was not as good as it has been in the past few weeks. We are use to some real tough football teams.

"(Micky) Gilstrap did a good job while he was in there. If we had left him in with the first unit line, he would have probably done an even better job."
