COMMENTS FROM COACH DOOLEY:

"We were really ready to play and played extremely well. Throwing, running, blocking, everything went well. About the only thing we did not do well was cover our punts..... We had the best attitude out there today we have had in many games; if we can keep it up, we will be all right.....The first drive seemd to show how the game was going to go; James Ray did a fine job. He has great technique and form. Mike Cavan rehurt the same shoulder he injured last year. I'm very pleased with his attitude even though he is playing behind Ray.....Clemson played pretty well but we really did not give them a chance."

COMMENTS FROM COACH INGRAM

Our offensive team couldn't move the ball and our defense couldn't stop Georgia, but I don't think we could have lined up any better than we did. Georgia has a great defensive team and we knew it.

I told our boys they could go back an improve in the second half, and I think they did. I think we have a great opportunity to go out and work hard to get better. I don't think we played that poorly today. The opposition has something to do with it. I wasn't displeased because I knew who we were playing. I didn't get the idea that our kids ever quit. They never hung their heads.

Georgia has a good offensive scheme. I don't think they ~~seem~~ have as much speed as in the past. Their offensive line played as good as I've seen on film in sometime.

COMMENTS FROM COACH DOOLEY:

"We were really ready to play and played extremely well. Throwing, running, blocking, everything went well. About the only thing we did not do well was cover our punts..... We had the best attitude out there today we have had in many games; if we can keep it up, we will be all right.....The first drive seemed to show how the game was going to go; James Ray did a fine job. He has great technique and form. Mike Cavan hurt the same shoulder he injured last year. I'm very pleased with his attitude even though he is playing behind Ray.....Clawson played pretty well but we really did not give them a chance."

COMMENTS FROM COACH INGRAM

Our offensive team couldn't move the ball and our defense couldn't stop Georgia, but I don't think we could have lined up any better than we did. Georgia has a great defensive team and we knew it.

I told our boys they could go back and improve in the second half, and I think they did. I think we have a great opportunity to go out and work hard to get better. I don't think we played that poorly today. The opposition has something to do with it. I wasn't displeased because I knew who was were playing. I didn't get the idea that our kids ever quit. They never hung their heads.

Georgia has a good offensive scheme. I don't think they ~~seem~~ have as much speed as in the past. Their offensive line played as good as I've seen on film in sometime.
