COACHES QUOTES

Wake Forest Cal Stoll: "We ~~can~~^{can} really get in those close battles. It seems like it's been that way all season. Clemson played hard . . . harder than we did. That's all. The kicking game was the big difference in the game. It was a bad day for our kicking game. Our game plan ~~to~~ is control the game with the run and I thought we did a good job in the first half. Clemson did a tremendous job in the second half. They played like hell. They just came on the field and beat us. We lost a lot of momentum after last week (WFU loss to UNC 7-3). That loss took a lot out of us. But we have no excuses. Clemson just did a fine job. It was a surprise to see Pengitore at quarterback. We felt like they would come out and try to run on us instead of the passing game. We were hoping to get another shot there at the end, but the penalty took us out of range. It was a heck of a game and Clemson is to be congratulated."

Clemson's Hootie Ingram: I had no doubt that Eddie Seigler wouldn't make the field goal. If we hadn't made that first down, I was going to let him kick a 56-yarder, and he would have made it. This is the second one he has kicked for us this year to win a game (other Duke 3-0) and he thrives on pressure. The one he kicked today was greater than the one against Duke.

After we made that last first down, and before we kicked the field goal, we were going to stay on the ground. We didn't plan to throw, but wanted to get field goal position in the middle of the field.

Our defensive ~~team~~ staff did a good job preparing for us. We had a little stunt in there which we only had half in before the game, but we finished putting it in at halftime, and George MacIntyre (defensive backfield coach) put in a new wrinkle at halftime which really helped

Today we played against a mighty tough offense--even tougher than the wishbone, 'Y', pro set or what have you. The pressure is ~~not~~ even greater on the defense with this veer.

We started (Ken) Pengitore because we felt we could get outside a little more with him, but (Tommy) Kendrick came off the bench and did a good job, especially calling audibles at the line. This team has a great attitude and no one on the sideline was pulling for Kenny anymore than Tommy. He helped him when ~~they~~ he came on the sidelines--and that's what makes winners.

COACHES QUOTES

Wake Forest Cal Stoll: "We ~~can~~^{can} really get in those close battles. It seems like it's been that way all season. Clemson played hard . . . harder than we did. That's all. The kicking game was the big difference in the game. It was a bad day for our kicking game. Our game plan ~~to~~ is control the game with the run and I thought we did a good job in the first half. Clemson did a tremendous job in the second half. They played like hell. They just came on the field and beat us. We lost a lot of momentum after last week (WFU loss to UNC 7-3). That loss took a lot out of us. But we have no excuses. Clemson just did a fine job. It was a surprise to see Pengitore at quarterback. We felt like they would come out and try to run on us instead of the passing game. We were hoping to get another shot there at the end, but the penalty took us out of range. It was a heck of a game and Clemson is to be congratulated."

Clemson's Hootie Ingram: I had no doubt that Eddie Seigler wouldn't make the field goal. If we hadn't made that first down, I was going to let him kick a 56-yarder, and he would have made it. This is the second one he has kicked for us this year to win a game (other Duke 3-0) and he thrives on pressure. The one he kicked today was greater than the one against Duke.

After we made that last first down, and before we kicked the field goal, we were going to stay on the ground. We didn't plan to throw, but wanted to get field goal position in the middle of the field.

Our defensive ~~team~~ staff did a good job preparing for us. We had a little stunt in there which we only had half in before the game, but we finished putting it in at halftime, and George MacIntyre (defensive backfield coach) put in a new wrinkle at halftime which really helped us out, especially on that option.

Today we played against a mighty tough offense--even tougher than the wishbone, 'Y', pro set or what have you. The pressure is ~~not~~ even greater on the defense with this veer.

We started (Ken) Pengitore because we felt we could get outside a little more with him, but (Tommy) Kendrick came off the bench and did a good job, especially calling audibles at the line. This team has a great attitude and no one on the sideline was pulling for Kenny anymore than Tommy. He helped him when ~~they~~ he came on the sidelines--and that's
