CLEMSON LOCKER ROOM--COACH HOOTIE INGRAM

Clemson Coach Hootie Ingram said his game plan was to put pressure on Oklahoma's running game at the corners.

"We did something drastic at the corners--something I don't think any one else has done--and we got hurt inside.

"But I think that's the only way to play Oklahoma. Their fullbacks, as good as they are, still don't have the speed of a Pruitt or a Washington. If anybody does ~~beat~~ beat them, I think it will be by stopping them outside and, if Texas or someone has got some ~~big~~ big, fast defensive linemen to stop OU inside too, that's how it will happen.

"Offensively, a team will have to control the ball on the ground to beat Oklahoma. I don't think it can be done by throwing a lot of passes. You'll have to control the game and keep the ball away from them."

Ingram said that it might sound funny, after getting beat by so big a score, to say he was proud of his team, but he was.

"We gave the best effort today that've had all year. Our squad is very unhappy now because of the loss. But this Monday they will be better football players than ~~they~~ they were last Monday.

"I think we grew up a lot today. ~~I~~ I'm prouder of the way we played Oklahoma today than I would be by maybe beating a weaker team."

CLEMSON LOCKER ROOM--COACH HOOTIE INGRAM

Clemson Coach Hootie Ingram said his game plan was to put pressure on Oklahoma's running game at the corners.

"We did something drastic at the corners--something I don't think any one else has done--and we got hurt inside.

"But I think that's the only way to play Oklahoma. Their fullbacks, as good as they are, still don't have the speed of a Pruitt or a Washington. If anybody does ~~beat~~ beat them, I think it will be by stopping them outside and, if Texas or someone has got some ~~big~~ big, fast defensive linemen to stop OU inside too, that's how it will happen.

"Offensively, a team will have to control the ball on the ground to beat Oklahoma. I don't think it can be done by throwing a lot of passes. You'll have to control the game and keep the ball away from them."

Ingram said that it might sound funny, after getting beat by so big a score, to say he was proud of his team, but he was.

"We gave the best effort today that've had all year. Our squad is very unhappy now because of the loss. But this Monday they will be better football players than they were last Monday.

"I think we grew up a lot today. I'm prouder of the way we played Oklahoma today than I would be by maybe beating a weaker team."
