END OF THE GAME North Carolina 26

BILL DOOLEY QUOTES: It seems we try to do it the hard way every week. But a win is a win and we're happy to get it.

I thought our defensive team did an exceptional job. We came up with a lot of big plays. We put good pressure on the passer and we were tough against the run. On offense, we did well, but hurt ourselves with fumbles and the pass interception. Our backs sure ran hard. We ran the fullbacks more than we normally do because Clemson was stunting so much.

Phil Lamm certainly gave us a big boost early with his punt return for a touchdown. That was a fine run. He played well defensively too.

Our offensive line may have had its finest day blocking. We have some really outstanding men in that offensive line. Bob Thornton, our center, was particularly good today.

Clemson came out in the second half and took the momentum away from us. When their offense began to move the ball, it also fired up their defense. That's a credit to Hootie Ingram and his staff. They do a fine job of coaching. But our players refused to fold. That is the mark of a good team--one that hangs in there when the going gets tough.

This was a big conference win for us and we're very happy. I just wish this team wouldn't scare me so much every week. They are called The Cardiac Kids and I think they just don't want to do anything to spoil their reputation.

HOOTIE INGRAM QUOTES: We let them spank us there in the first half, but I'm real proud the way our team came back in the second half.

We let our kicking game break down for the first time this year. First they returned that punt on us and then we missed that field goal on the last play of the first half. There were a couple of reasons for this, but I'd rather not mention them.

North Carolina is a big tough football team. Sometimes they make you not look good the way they come off the ball. They were just a team that was physically stronger than we are.

They are a good sound football team. You know what they are going to run. They found something good three or four years ago and they have ~~insisted~~ been sticking with it. And that's the sign of a good football team.

I thought our defense played a courageous game. I've seen teams that get crushed and fold. But our boys didn't. There are a lot of ways you can ~~lose~~ lose a game. You can go out there and lay ~~back~~ down, ~~and~~ or you can go out there and fight. And that's what our team did today. But North Carolina takes advantage of its strenght against any team it plays.

BILL DOOLEY QUOTES: It seems we try to do it the hard way every week. But a win is a win and we're happy to get it.

I thought our defensive team did an exceptional job. We came up with a lot of big plays. We put good pressure on the passer and we were tough against the run. On offense, we did well, but hurt ourselves with fumbles and the pass interception. Our backs sure ran hard. We ran the fullbacks more than we normally do because Clemson was stunting so much.

Phil Lamm certainly gave us a big boost early with his punt return for a touchdown. That was a fine run. He played well defensively too.

Our offensive line may have had its finest day blocking. We have some really outstanding men in that offensive line. Bob Thornton, our center, was particularly good today.

Clemson came out in the second half and took the momentum away from us. When their offense began to move the ball, it also fired up their defense. That's a credit to Hootie Ingram and his staff. They do a fine job of coaching. But our players refused to fold. That is the mark of a good team--one that hangs in there when the going gets tough.

This was a big conference win for us and we're very happy. I just wish this team wouldn't scare me so much every week. They are called The Cardiac Kids and I think they just don't want to do anything to spoil their reputation.

HOOTIE INGRAM QUOTES: We let them spank us there in the first half, but I'm real proud the way our team came back in the second half.

We let our kicking game break down for the first time this year. First they returned that punt on us and then we missed that field goal on the last play of the first half. There were a couple of reasons for this, but I'd rather not mention them.

North Carolina is a big tough football team. Sometimes they make you not look good the way they come off the ball. They were just a team that was physically stronger than we are.

They are a good sound football team. You know what they are going to run. They found something good three or four years ago and they have ~~been~~ been sticking with it. And that's the sign of a good football team.

I thought our defense played a courageous game. I've seen teams that get crushed and fold. But our boys didn't. There are a lot of ways you can ~~lose~~ lose a game. You can go out there and lay ~~down~~ down, ~~or~~ or you can go out there and fight. And that's what our team did today. But North Carolina takes advantage of its strenght against any team it plays.
