COACHES QUOTES

Fran Curci - Kentucky

Clemson is a better football team. We couldn't stop them. We didn't play well and they played better. We didn't block their blitz but then they didn't have to blitz.

(In the first half) Henry got us out of a difficult situation. He did what we wanted him to do.

We had to establish some sort of a running game. We knew we could do some things against them, but you can't win strictly with a passing game.

I thought Jenkins did a real good job under tremendous pressure. I also thought Massie did a real good job of getting open and catching the ball.

All we're ~~doing~~ trying to do is win. We're doing everything we possibly can to win.

They're the best team we've played to date. Their defense is equally as good as Alabama. They're ~~g~~ front four is the best I've seen.

DANNY FORD, Clemson

We didn't play a lick in the first half. Kentucky did a good job in the half and shut off our offense completely.

Clemson played like Clapsen supposed to play in the second half. We blocked well. We made only one adjustment in the second half, changing the blocking on one play. Their linebackers were faster than they looked on film.

We were lucky to come in with a 3-0 lead at the half. Their fullback, Abraham, gave us some trouble. And they were making unbelievable catches throughout the game, Massie especially. But we were able to get to their quarterback ~~xxxxxx~~ better in the second half.

I thought Bryant and Perry played well defensively for us. Triplett was another.

You showed a lot of poise, Ford told his players in the locker room. This game should help you a thousand percent. You and I both know how good you can be when you play with emotion. We've now beaten everybody we were playing in the SEC. Now is time to start thinking about getting your ACC championship rings. This will give us a lot of momentum going into our conference schedule. Assistant coach Tom Harper, who graduated from Kentucky, was given the game ball.
