## COACHES' QUOTES

COACH ~~MR~~ MONTE KIFFIN OF N. C. STATE: "I thought we played pretty well. The defense played extremely well. They also played well against North Carolina. That's two fourth-ranked teams in a row. But we didn't capitalize on offense. We're playing the kind of defense to be a good football team. The offense, though, is not consistent.

"The third quarter we were just backed up and couldn't get out. We just didn't play well enough on offense to win. No, the wind was not that much of a factor. We finally got out of the hole in the second half, but then put ourselves right back in it with a penalty. You've got to give Clemson credit, though. They had a lot to do with our offense staying backed up.. After the first quarter, we just couldn't get field position. Give the credit to Clemson. They're a good football team.

"I really don't want to ~~compare~~ compare Clemson and North Carolina. They're both great football teams. I'd say Clemson is very physical on ~~defense~~ defense and Carolina is very quick. They're very even/ Flip a coin. Yes, ~~the~~ Clemson deserves its national ranking. Coach Ford has done a great job.

"Early in the season, our offense was playing well and our defense wasn't. Now the defense is playing well, and the offense isn't. Yes, Clemson's touchdown before the half hurt. The big play ~~is~~ for us, I felt, was when we didn't convert on fourth down in the second quarter. Had we made it, we would've had a chance at a touchdown or, at least a shorter field goal attempt, and also run the time off the clock. But give all the credit to Clemson. They did the things they had to, especially in view of the turnovers."

COACH DANNY FORD OF CLEMSON: Our young men did a heck of a job for themselves. It seems like we always have a lot of turnovers against N. C. State (5 today), but they came back despite their mistakes.

This is a big step in our season. Not many teams are 7-0 in the nation and we are now 3-0 in the ACC.

We stopped ourselves some of the time, but you have to give N. C. State credit, too. They were there for those interceptions and were there for the fumbles.

Our defense really did a job in the second half. At the same time, our offense took control of the line of scrimmage and we were able to move the ball pretty good. I thought we moved the ball pretty good in the first half, but we stopped ourselves. This is the first time this year that we have had more turnovers than take aways.

We weren't as sharp today as we should have been, but I'll take credit for that. If it hadn't been for some of the coaches over riding me, we might not have done as well as we did. But ~~in~~ I'll take the blame for not having them ready to play.

We couldn't get much pressure on the passer in the first half. We just weren't sharp, sharp. We weren't hitting on 12 volts. But I'm glad we're in the left hand column again.
