COACH DANNY FORD OF CLEMSON

I want to congratulate Boston College on having ~~as~~ a fine football team. We knew they had a good team. You're supposed~~a~~ to take charge of the game at the start of the third quarter. Boston College did and we didn't.

But I was happy to see our team wake up (<sup>i</sup>in the fourth quarter) and make a game out of it. We need to know how to play with enthusiasm. We were doing that last year, but we haven't so far this~~x~~ year.

We had a bunch of three downs and kick it, then our defense let them get hot. They ran the football right down at us and did a good job of it. We had way too many penalties.

More people want to beat Clemson this year because off~~x~~ last year. But we're (to see what kind of football team we're going to be) still searching ~~to be a good football team~~. The missed field goal didn't lose the ball game. We lost it way before that.

We're way off from being a good football team. We've just got to get back on the field and work this thing out.
