COACHES QUOTES --- NORTH CAROLINA STATE UNIVERSITY vs. CLEMSON UNIVERSITY

COACH DANNY FORD OF CLEMSON: We're ~~happy~~ happy to win the football game, but we can't be a good team giving up that many points. ~~Course~~ course, that's a tribute to Coach Kiffin and his staff. They had a good game plan and just kept on coming back at us.

I thought we played good in the third quarter, but the fourth left a little bit to be desired. We didn't knock enough balls loose ~~and~~ and missed too many tackles.

We didn't play enough people today. I wanted to get the second team in there some, but ~~in~~ with the situation as ~~it~~ it was, we didn't get to do it.

I thought our kicking game was good, except that one return. We worked real hard on the kicking game ~~this~~ this past week, but we could have lost it on that one return.

I'm glad we have next week off. Hopefully, we can get ~~in~~ some of these players well (Clemson has an open date ~~at~~ Oct. 30 and plays North Carolina at home November 6th).

Mike Eppley is getting more ~~more~~ confidence. And confidence comes with experience. His teammates have confidence in him and he's not afraid to go into any situation and the coaches are confident he can do the job.

But we're just happy to win. You don't many games giving up that many points.

COACH MONTY KIFFIN: "I've never been so ~~upset~~ upset with a loss. Yes, I'm mad. ~~We~~ We could've beat that team. I believed it Monday and I told the players. I told them Tuesday, every day ~~in~~ this week and at every meeting. I believed it in the first ~~game~~ quarter, in the 2nd quarter, in the 3rd quarter and in the fourth quarter. That's why you never let up. That what makes college football a great game. But we didn't do it.

"We've never moved the ball so well against a good team like Clemson. They've ~~got~~ got studs on defense. We've got young pups on offense. But they bite and scratch, and they did a heckuva job except for a couple of cases. The defense didn't do the job they've been doing. But you can't fault them because they've played real well for us many times. To beat people like we're playing, we've got to put it together on both sides of the ball.

"Yes, the officials were unreal. We pass protect like Duke and Wake. You can call holding on every snap. These guys suddenly wanted to. But that's not why we lost the game. But it certainly slowed us down. McIntosh and Miller were cranked today. That McIntosh is one heckuva football player.

"Clemson really is a fine football team. They're well-coached and have a lot of ~~outstanding~~ outstanding players. We caught them when they're really starting to roll."
