Coaches' Quotes:

Richard Bell, South Carolina: I really thought we had some momentum going I would have liked to have had 7 points instead of 3 on that first drive but you've got to give Coach Ford and his team credit for stopping us. Our kids fought hard and never gave up. (They) Clemson are a quality football team. There's not a great deal of difference this year from last. They are a solid team doing the ~~the~~ things they need to do to win. That long pass they completed was a broken play on our part, we let their receiver get behind us. We didn't need to give them anything and on that play we did. We were in a 3-depp coverage and reacted to the receiver up close instead of to the ball. We've had a patchwork in the secondary and it cost us on that play. Dandy did an excellent job for us. Carl West also played well moving from Fullback to tailback for Todd Berry who cracked some ribs in the Navy game. Our number one priority now is recruiting. We'll ~~leave~~ tomorrow moring and then get on the road. We are also going to try to figure out how to cut down on mistakes, penalties, dropped balls, etc. Everybody we played was good but we helped them some.

Danny Ford, Clemson: I'm real proud of our seniors. They have made outstanding contributions to this university in their four years here and I'm sure they are proud of what they accomplished.

South Carolina played hard, just like we thought they would. They have some outstanding individuals.

We had some big plays which helped us tremendously. The long pass, the goal line stand, the two long drives the offense put on, and there were probably several more. The leadership and discipline we received --we couldn't have asked for anymore.

I didn't how the players would handle this week from all that's gone on, but I think the entire team should be complimented for ~~keep~~ keeping their mind on their business and taking care of the most important things at hand.

We're looking forward to our trip to Japan now. We're not going to have much time to practice and Wake Forest has had the entire week ~~to~~ to get ready for us. But we're going over there to win the conference championship and I hope we can accomplish that.
