WESTERN CAROLINA HEAD COACH -- BOB WATERS

"There's not much good to say...I'm extremely disappointed in the way we played
in our emotion and what we tried to do."

"Offensively, we were absolutely rotten."

"Our defense stayed on the field and they gave out. Then we tried to play without
emotion. It is beyond me how we could play without emotion in front of 70,000
odd thousand people...No one really did well enough to mention."

"The only good thing was just a spark of emotion around the middle of the third
quarter...we showed just that spark toward the end. I think we've read too many
of those articles (about us playing Clemson and being good)...we thought we're
good. We still can be."

"This was a total loss, but you can't take a thing away from Clemson. They can ready
to play, played with emotion andthey are a hell of a football team."

(On the early game penalties and mistakes)

"They killed me, they were absolutely terrible. I can't understand why we couldn't
get a play off early...it's been noiser here before...Jeff (Gilbert) checked off
some of those times when he shouldn't have. The 12 men on the field was just
absolutely without excuse. Clemson really didn't do much to surprise us. They made
have surprised us once of twice, but around the 14th or 15th time, it was time for
us to play."

(NOTE: Before Coach Ford came in for his interview with the press, nose guard William
        Devane presented the game ball to head trainer Fred Hoover, who will forward it
        to the family of Larry Sutton, assistant Clemson trainer, who died this past
        Tuesday and was buried this (Saturday) morning at his home in Hampton, VA.)

COACH DANNY FORD OF CLEMSON: We ought to be real proud of our football team today. It
played well early in the game by executing well. We had probably the least number of
turnovers today that we've had this early in the season.

The defense played extremely well throughout the game. We played a whole lot of people
in the third quarter and that was unfair to some of the youngsters who had been on our
scouting team this fall.

I thought Coach Waters and his staff did an excellent job of getting their team ready
to play.

We had a lot of heroes, and injury-wise, we came out of the game in pretty good shape. I
thought Flagler, Driver and Flowers ran extremely well. We put Flowers in on goal line
situations and we actually should have given him more playing time elsewhere. We're go-
ing to try and hold Steve Griffin out this year. He's going to be a good back before he
leaves here.

The big thing today is that we didn't hurt ourselves too much and I think it paid off. We
have harped about penalties all fall and we improved there.

We look forward now to getting ready to play Boston College. They have a great quarterback
and we'll have to have a whole lot better pass rush next week than we did today if we are
going to have any kind of success at all. We didn't get to their quarterback today, so
we'll have to see a lot of improvement there.
