COACHES QUOTES

CLEMSON COACH DANNY FORD--"Our players played very well. The defense had their backs against ~~the~~ the wall at the end, but they made the big play when they had to. I'm ~~real~~ real ~~pride~~ ~~pride~~ proud of our young people. I don't know if we could have played the game much better than we did. We moved the ball offensively. We had three long drives and we got a touchdown pass on one. Kicking game was pretty good, except for one punt return that hurt ~~x~~ us a little bit. Overall, our people played extremely well. They won the football game and we are very proud of them and very happy for them. Back during the ~~week~~ week, we told our people that it was going to be man-on-man, and I think our people whipped them man-on-~~m~~ man and I think that was the end of the ball game right there. I don't think we blocked Fuller too well. I think Fuller is a great player and he had a lot of big plays. I'm real proud of our defensive team, because they had their backs against the wall all of the second half. Our kicking game was probably a little better out of there--we got more points out of our kicking game. They missed a couple that probably hurt them a good bit. Our main goal was to keep them outside of the 30-yard line. The longest field goal they had made was 39 yards. We weren't successful late in the game, but I think we did a good job through the first half and the third ~~w~~ quarter. (About the early fumbles) It's the ~~x~~ same old thing--just uptight about the game. Our people had to get their blocking assignments down a little better early and they did a good job of adjusting. North Carolina's got about the best athletes you ever want to play and anytime you go into their place and win, it ~~has~~ has to make you very happy."

CAROLINA COACH DICK CRUM: "I thought Clemson played a very good football game. Today they deserved to win. They did a good job... they played better than we did.

"Our defense played well. This was probably our best defensive effort of the season. Defensively, we had our backs to the wall all day. We've got to give them some offensive help. Our offensive execution was not what it should have been. We had opportunities, but did not take advantage of them. We actually moved the ball fairly well between the 20's, but we couldn't get it in.

"Clemson had field position and used it. We just made too many mistakes. When you play a team as capable as Clemson, you can't afford to do that."
