Statement by Coach Frank Howard of Clemson:

Miami has a mighty good ball club, but it would be hard to say if it is the best club we've faced this year. There are too many things to take into consideration.

I thought the play that hurt us most by Miami was that option play that worked so well.

The clipping play we had called on us when our touchdown was called back hurt us offensively because we were still in the ball game then.

Billy Hudson, Willie Smith, Tommy Seane and Donnie Bunton played mighty good for us but we seemed to tire an awfully lot late in the ball game. I just hope we can come back and play a good game against Virginia and Furman and that the Orange Bowl people will still want us New Year's Day
