Statement from Coach Frank Howard of Clemson:

Our boys looked like they wanted to play ball today, you could tell that in the first drive. Again penalties hurt us on some long plays as it has before this year, but today we had a big enough lead where it didn't determine a win or a loss.

The vote is to be taken tomorrow for the conference representative in the Orange Bowl and I am confident that Clemson will be selected. We will be mighty happy to represent the ACC in Miami and we plan to put on a better show this time than when we played down there before.

We had some good play all across the line today and our backs did a good job of running. I wouldn't want to single out anyone because all of ~~the~~ the boys did some ~~times~~ nice playing ~~and~~ at one time or another
