STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I think we got a pretty good team, but we just didn't play good today. We didn't block well and we didn't protect for the passer like we should. After beating Wake Forest our boys thought they were pretty good and they didn't think they had to play.

~~We~~ We aren't consistent anywhere and our pass defense got us in trouble today mainly because we didn't contain.

We feel mighty fortunate to win because we weren't mentally right for the game. If ~~you~~ you can win 'em when you aren't mentally right, you can consider yourself mighty lucky.

Their quarterback (Warren Price) is a pretty good ball player. He's dangerous on that roll out because ~~in~~ he'll run with it. Not all of 'em are like that

I'm still not sure if I'm playing the right personnel. We lost so much time in the spring and we have so many sophomores on the team. It might be we'll have some new faces in there pretty soon.
