STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I thought there was more defense out there today than offense. We didn't do any-
thing pretty and neither did they. But it was a pretty good defensive battle.

I don't think we looked good. I had hoped that our boys would be up for this
game, but I couldn't tell much difference.

One thing that hurt us was that Shingler hurt him a finger on his throwing hand
in last Saturday's game and that caused him to be inaccurate. Had this not been the
case, I think our score would have been much higher because he had his receivers
open. We didn't say anything about Shingler being hurt because it looked like there
were too many quarterbacks hurt in the state already.

But he (Coach Warren Giese) hasn't scored a touchdown on us but in one of the
four games we've played him and I wish they hadn't gotten those two points, *today*
but that referee (John C.Bonohue) is one of the best in the business and I'm sure
he called the safety right. I didn't question his decision. But getting back to
the defense, I think you can say that today it was adequate again. When you
keep 'em from crossing that alumni line, you've usually done a pretty good job.
