Statement by Coach Frank Howard ~~for~~ Clemson

Mistakes hurt us again. I don't understand why we are fumbling so much, but just like ^k in the Florida game, we coughed it up ~~at~~ at the wrong time. (Clemson fumbled five times against Florida, and lost three. Against Maryland, Clemson lost four of six fumbles).

Coach Howard went into the Maryland dressing room following the ~~the~~ game to congratulate the victorious Terps who were as jubilant as if they had win the conference championship and received a bowl bid.

Howard told ~~they~~ players and coaches, "You didn't luck out on us this year, you played good football and none of wishy, washy stuff. You boys have a good ball club, and I want to wish you the best of luck ^k the rest of the year."

Coach Tom Nugent chimed in to say that he thought Maryland beat a good coach this year.

Howard did not single out any one player. When asked if he thought tackle Vic Aliffi played a good game, he said ^("Yeah, but I") ~~he~~ thought several of them did all right."

Howard ~~was~~ said it looked like everytime he sent in a player with a play, ~~something~~ something would go wrong. He did not elaborate on this or mention any names.
