COACHES COMMENTS

COACH HILDEBRAIND:

The thing that killed us was the punt return. It didn't even appear to be organized; he just ran real well.

Egg's injury really hurt us. He will undergo a cartilage operation on his right knee tonight. He's through for the year. He's a fine linebacker and center.

It was a good ball game until that punt return, and that was it.

Bridwell moved ball club well. He's going to play more. He's a terrific defensive ball player. I'm not about to give up on this ball club.

COACH HOWARD:

We're improving each week but we still don't go hard enough. We gotta get tougher and get more punch.

I was pretty well pleased but wish we would run a little harder and fire out a little better up front.

One good thing, we didn't get any of those good ones hurt today and should be in pretty good shape for Georgia next week.

I believe if we keep on improving, we'll have a pretty good team by the end of the year.

We stayed pretty much on the ground today because Parker couldn't pass. He got hurt Tuesday, but we didn't want to say anything about it because it wasn't that serious. If he could have thrown, it might have been a little easier.

I think we're in little better physical shape than Wake Forest and when you get tired, you don't play heads up ball. There's not many going to run over us.

Howard praised center and linebacker Ted Bunton saying "He's gonna be the best center in the conference."

The only Clemson player not seeing service today because of injuries was tackle Johnny Boyette who has a slight leg injury. Howard said if he had been needed, thought, he would have put Boyette in.

COACHES COMMENTS

COACH HILDEBRAND:

The thing that killed us was the punt return. It didn't even appear to be organized; he just ran real well.

Egg's injury really hurt us. He will undergo a cartilage operation on his right knee tonight. He's through for the year. He's a fine linebacker and center.

It was a good ball game until that punt return, and that was it.

Bridwell moved ball club well. He's going to play more. He's a terrific defensive ball player. I'm not about to give up on this ball club.

COACH HOWARD:

We're improving each week but we still don't go hard enough. We gotta get tougher and get more punch.

I was pretty well pleased but wish we would run a little harder and fire out a little better up front.

One good thing, we didn't get any of those good ones hurt today and should be in pretty good shape for Georgia next week.

I believe if we keep on improving, we'll have a pretty good team by the end of the year.

We stayed pretty much on the ground today because Parker couldn't pass. He got hurt Tuesday, but we didn't want to say anything about it because it wasn't that serious. If he could have thrown, it might have been a little easier.

I think we're in little better physical shape than Wake Forest and when you get tired, you don't play heads up ball. There's not many going to run over us.

Howard praised center and linebacker Ted Bunton saying "He's gonna be the best center in the conference."

The only Clemson player not seeing service today because of injuries was tackle Johnny Boyette who has a slight leg injury. Howard said if he had been needed, thought, he would have put Boyette in.
