STATEMENT BY COACH FRANK MAX HOWARD

This sure is a rough way to make a living

Georgia played awful well and I don't think we played that bad. Georgia's been having some ~~is~~ tough luck and I guess it all evens out.

Those two long passes and that blocked punt hurt us the most, but I think the turning point in the ball game ~~is~~ was in the fourth quarter when that boy (Armbruster for 22 yards) broke through on that draw play. We had 'em third down and pretty good ~~yardage~~ yardage and still had plenty of time to score. But they kept the ball when we were needing the ball.

One of the main things that's hurting us is that Parker (Quarterback Jim Parker) can't pass. He couldn't against Wake Forest and he couldn't do much today. He's got a hurt shoulder that was injured in practice a couple of weeks ago. It's down deep and I can't say if he'll be ready for Duke or not as far as his ~~passing~~ passing goes.

I thought we'd come back after that field goal. I thought we'd go on down on the next series and get another one (TD).

That Rakestraw ~~is~~ did all right. He didn't look like he was ailing too much.

But we ought to be playing better. There are some of the boys playing all right at times but we aren't being consistent enough. ~~is~~ We aren't blocking well and a few other things need to be improved on.

This is a heckuva way to make a living.

STATEMENT BY COACH FRANK ~~XXX~~ HOWARD

This sure is a rough way to make a living

Georgia played awful well and I don't think we played that bad. Georgia's been having some ~~me~~ tough luck and I guess it all evens out.

Those two long passes and that blocked punt hurt us the most, but I think the turning point in the ball game ~~was~~ was in the fourth quarter when that boy (Ambrester for 22 yards) broke through on that draw play. We had 'em third down and pretty good ~~yardage~~ yardage and still had plenty of time to score. But they kept the ball when we were needing the ball.

One of the main things that's hurting us is that Parker (Quarterback Jim Parker) can't pass. He couldn't against Wake Forest and he couldn't do much today. He's got a hurt shoulder that was injured in practice a couple of weeks ago. It's down deep and I can't say if he'll be ready for Duke or not as far as his ~~passing~~ passing goes.

I thought we'd come back after that field goal. I thought we'd go on down on the next series and get another one (TD).

That Rakestrew ~~did~~ did all right. He didn't look like he was ailing too much.

But we ought to be playing better. There are some of the boys playing all right at times but we aren't being consistent enough. ~~But~~ We aren't blocking well and a few other things need to be improved on.

This is a heckuva way to make a living.
