STATEMENT BY COACH FRANK HOWARD

"We played about as hard as we could play, but when you give 'em two easy ones like we did, it makes it hard on everyone."

"But our boys gave a lot of effort and when they give you that--there's not much more you can ask for."

"I think we played the devil out of them--about our best effort of the year."

When asked about the blocked punt, Howard said "It didn't help us any."

Asked if Ruffner's loss (first string fullback) hurt (after the first series run by Clemson), Howard said "When you lose any first string player, it don't ease matters any."

"Georgia has a good, aggressive team--I don't think any individual is any better than anybody else. Their ~~defense~~ defense is especially good. They go at it hard like you like to see football played. Their defense wins for them. They're just good."

Asked about Georgia's national rank, Howard said: "I reckon they are as good as they are ranked."

COACH DOOLEY STATEMENT

"It was a costly victory. We do not know how serious Doug ~~is~~ falls injury is but it could be a broken jaw. In addition to that we feel that guard Kenny Whiddon may have a bad ankle and on top of that Kirby Moore has a badly bruised armit hurt him to punt that last time although ~~it~~ he got off a good one.

"I'm mighty happy to win this ~~is~~ one....Clemson was tough today, and I don't have anything to say other than that. They were tough and hit us hard and hurt us.

"I do think our team was a little down after Michigan, but Clemson went after us so hard in the first half that ~~it~~ really they had the upper hand.

"We still made a lot of mistakes again, and I hope we'll be ready for the road trip ~~off~~ coming up.

Dooley said the big play of the game was Jimmy Cooley's block of ~~is~~ Barfield's punt in the third quarter.

"We had not planned to lay Jimmy because he missed the Michigan game with a broken hand, but when Whiddon went down, we had to put ~~is~~ him in and he came through with a big play.

"I felt that the offense was a lot more consistent today and Bob Taylor certainly ran well. I recall that George Paton made several fine plays, but I think of us winning as a team. I don't ever ~~give~~ give credit to the offense and defense as winning the game although sometimes one will have a better day ~~than~~ than the other.

"I'm happy to win and just hope we can get our injured folks back."
