POST GAME QUOTES by FRANK HOWARD:

"I'm glad we could have a flat day like that one and win. We didn't do anything well.

"Didn't play nearly as well as we have the last three Saturday's. But you know, I was kind of expecting it. & I'm just thankful we played someone we could beat even though we were down."

" We won't be down next week though."

About the apparent weak defense in parts of the game

"I'm kind of glad the defense didn't do good. They have been getting the idea they were too good, and this game is just what they needed to set # 'em straight."

"Everyone has flat days. We had one against ~~Wake~~ Tech(38-6 loss) and this was the second flat game. I don't think we'll have anymore of those flat days though."

"Everything went bad 'cept the score."

About the 61 yard touchdown reverse.

"I'm kind of surprised we got ~~that~~ one that long. You just don't get them long gains from this offense. We used to do it though. Seems to me like Joel Wells went 75 yards in the Orange Bowl on a play like that though."

"We've been playing power teams and then Wake Forest comes along with all those ~~sub~~ flat pass and stuff and it confused our boys a little."

On North Carolina's 47-35 loss to Georgia.

"Somebody else's defense collapsed today."

COACH BILL TATE:

"They're just a better football team than we are. They just outplayed us. We contributed to our own downfall with too many mistakes. That's just about it. I have nothing else to say."

When asked to comment on the Clemson passing attack, he said--"I have no comment."
