Be advised that because of limitations in the scoring software and the non-traditional scoring format, the teams (Orange/White) and score are not indicative of the true score of the event. In addition, by virtue of the format, players were credited with stats on both teams in the software, so their scrimmage totals above are the sum of stats on both teams in the system.

To keep the down, distance and ball spot accurate to modified game situations, some plays are credited to ADJUST. Please remove these totals from any reporting.
