

STUDENT-ATHLETE DEVELOPMENT SUMMER RECAP

POWER

The POWER Cohort traveled to Kansas City where they met with 10 local companies and participated in a networking event with local professionals and employers. They also began building their professional attire with the chance to meet with personal stylists at Nordstrom!

POWER 2025 LEADERSHIP SUMMIT

There were 130 individuals in attendance at the 2025 POWER Summit in July. Student-athletes began preparing for the summit on their trip to Kansas City, and each had the opportunity to develop and facilitate a session during the summit that was rooted in their experiences in leadership and professional development.

ACC UNITY TOUR 2024 | CHARLESTON, SC

Joy Neal (Rowing) attended the ACC UNITY Tour this summer in Alabama. The trip included stops in Montgomery, Selma, and Tuskegee with an effort and commitment to explore history, connect with local communities, and participate in immersive educational experiences.

BLACK STUDENT ATHLETE SUMMIT

9 student-athletes attended the Black Student-Athlete Summit in Chicago where they had the chance to do a mini career trek, participate in local community service, and connect with student-athletes from all across the country.

SAAC STUDENT-ATHLETE ADVISORY COMMITTEE

As one of the ACC SAAC Representatives, Brie Clark (Gymnastics) attended the in person July ACC SAAC Meetings to represent Clemson.

UPIC Beyond THE GAME

12 student-athletes participated in on-campus UPIC internships this summer!

MICROINTERNSHIPS

11 student-athletes participated in microinternships this summer, with companies such as Adobe, Novant and NASA.

NCAA CAREER IN SPORTS

Tara Walsh (Gymnastics) and Addy Holgorsen (Women's Soccer) both attended the NCAA Career in Sports Forum this summer as representatives from Clemson. Both have potential interest in working in sports and utilized this opportunity to learn more about the industry and build their networks!

TIGER TREK

For the first time since 2019, Student-Athlete Development went back abroad! 10 student-athletes traveled to Costa Rica to participate in service and stay with local host families. Their main project was helping to rebuild a local school all while being fully immersed in Costa Rican culture.
